Dear Madam,

The Editor of the  
Section on Women's Franchise  
entitled - "Men's League for Women's  
Suffrage" - has invited discussion  
upon A. B.'s letter with regard  
to Mr. Dickinson's new Bill,  
and should the enclosed letter  
meet with your approval I should  
like to send it in. — If, however,  
you consider it unsuitable I  
will, of course, not do so.

Yours faithfully  
(Miss) Frances Whiting
