Darling Billie

I want to know that you are quite certain about the B. months. The papers said 4 months for you and Miss Crocker and 3 for Miss Roberts. The papers are so incorrect that we are not anxious really, but you had better find out for certain and take means to let us know if you want us to apply for a shortening of the sentence. I am anxious also to be quite sure you are staying in Holloway. When I shall be happy about you. Though I am sure it is horribly uncomfortable especially if you do not feel well. Helen came home yesterday and in her excitement could not sleep so we talked half the night. She is deeply impressed

I heard of your being in prison and
I wish she could know
what an honour she has done the
family! She cannot understand that
having to break the window was the
worst part of all for you. She is
surprised when she sees a good defence
you made in court, indeed we all
are. Please let us know if
it is of any use to send food. We
don't want to trouble Mr. Hankinson
except to tell us you are well
but I am sure he will let us know
about food or any thing we may send.
I shall send your washing tomorrow.
No doubt you will receive news of
your family tomorrow but I know it will
be good or I should know. Love from
all 3 of us. Always your loving sister
Lily
