Dear Vera Louie

The enclosed

was sent to me

by Emily Dock -

Farina Dock is

a cousin of my

husband. I am

surprised that Emily

did not mention

Mrs. E. H. Dock

That Favinia Dock
was one of the leaders
in the "Suffragist Movement"
She was very active -
speaking on street corners -
Picketing the White
House and so on - as
well as being a featured
speaker at large mass
meetings -

FAWCETT LIBRARY
27 WILFRED STREET
LO DOV, S.W.1.

~~8312~~

She is still actively
interested in anything
that takes place, regarding
women of the world - Of

Course not to the
extent that she previously
did -

She is really quite
feeble - who would not
be at the age of - 97 -

Cordially -

Florence H. Dock
