Dear Pernel,

I have received the letter of which a copy is enclosed addressed to "Miss Strachey or to the present Principal of N.C.C." I should rather like your comments before I reply. Do you know anything about Mrs. Baines' gifts in the direction of tapestry, and did you encourage her perhaps to offer us something of the kind she suggests? I want to write the right kind of letter to her and I feel I should be better able to do it if I heard from you first.

Yours ever,

Moya Curtis
