Dear Mr. Bertram.

I intended to write to you before this - but whilst travelling it is difficult to find time & opportunity!

I heard the day before I left England that there is very little chance of inducing Mr. Bernard Shaw to give a lecture for the Suffrage Co. I understand that when he did this for the I.A.S. about 1890 was the result. but I

am told that he has refused
the Women's Social & Political Union
when approached with the same
object & has said he will not
repeat this kind of thing except for
socialistic objects - I thought you
might be interested to know this -
but of course please understand
that I only heard it through
Friend C there is no reason
whatever why he should not be
asked in the hope that he
might change his mind! At
the same time it is well to know
that this method of raising money
cannot be definitely calculated on.

Two other lecturers who I believe
are strong Supracists are W. Looch
& R. Paley. Have you thought
of either of them - I have heard
both spoken of very highly.

I hope you will soon be having a
good holiday. I am having a
splendid one. This place is
perfect & the weather gorgeous.

Yrs sincerely
