My dear Pippa,

It has been definitely decided that I am to go to Allahabad as you have probably heard already. I had made most excellent arrangements with Hight to hand over this district to Laurie about 15th Oct^r. Snatch a week of Poojals and add it to a fortnight's casual leave thus getting 3 weeks in Mus.

Soorie - I should then have brought my family straight to Allahabad about Nov^r 8th Beyts leaving Nov^r 24th. But alas how avous change' tout cela. A ~~large~~ telegram arrived to day from C.R. saying doctors have ordered Beyts home at once by next mail and I am to go to Allahabad at once by tomorrow and "sorry you will not be able to take leave at present." But it foul? I suppose I shant get any

leave at all now.

The Officers of the Loco Dept. are thoroughly sick of life and are only waiting for the reply of the Board to their petition before giving up the ghost.

This must cease - I will write again shortly

Don't forget address in future is Allahabad

Write love to everybody

Ever your loving

Halple
