[April 1913]

Dear Mrs Roberts,

Thank you very much for your letter & also for your suggestion about my coming to you for the weekend to talk matters over. I should like to do so very much & when you come back would you write to me?

I will write to Miss Allen most certainly.

I feel just a little puzzled as to the best title for my paper. What powers or

rather functions have sacraments
now, to which, baptizing, etc could
be called extensions? They have
no ecclesiastical functions have
they? It seems to me it is more
the ordaining them to fresh -
entirely new-functions - that is
needed. But of course I am
open to correction -

With kind regards,

Yours sincerely,

Isabel Barnet.
