Dear Madam

Please excuse pencil & a scrap of
notepaper, but I am only just recovering
from an internal operation. I hope to be
married on October 22nd! but I should be
delighted to lecture to you on October 21st.
This is the only date I can absolutely guarantee,
because I know I shall be in town then,

but cannot say how long before hand I
shall be here. It wd. have to be an afternoon
lecture. I am so very sorry I can only offer
one date

Yours truly
