Dearest Amy,

So many thanks for your dear letter of birthday greetings.

We had a really lovely time in Paris in every respect except the weather which was well & cold all things. The meetings were quite wonderful, most crowded & extremely able & the whole time was as much for the League of Nations as for U.S. There is so much to tell about them that I really

must not begin. I am sending you a copy of a very fine

letter by Gilbert Murray which I think you would like to read.

Always dearest Amy for very lovingly

I am glad you have Miss Callister.
She has been doing good work
