I, AMEN COURT,
ST PAUL'S, E.C.

5th Jan. 1909.

Dear Miss Ward,

I should like very much to give my name, but it must be given in sheer hope for I greatly doubt how and when I shall find time to write anything. But still if giving my name will just be taken as expressing sympathy and hope I shall be delighted to give it.

Yours very truly,

W. S. Holland.
