Dear Miss Strachey

The Executive Committee at their meeting held yesterday passed the following resolution :-

"That the London Society be asked to pay into our ordinary funds the money raised as a special effort and that the National Union make a grant of £150 from the General Election Fund to the London Society to be used in extending the Election work into other constituencies in the London area. "

The Executive Committee would also suggest that part of Mrs. Illingworth's donation might be used in hiring wagonettes for use by speakers etc. in those constituencies.

With regard to your letter asking if you might publish another version of Leading Facts, I am requested by the Secretary to the Literature Committee to ask if you would kindly let her know for the information of her Committee what are the alterations you wish to make.

I am,

Yours faithfully,

Marion Phillips
