

Bury St  
Edmunds  
By Election

AL/1684

27.1.44.

To The Secretary,

Dear Sir or Madam,

You will know by the press that I am standing as Independent Liberal Candidate for Bury St. Edmunds. For my election address I am stressing my belief in the full and equal partnership of women in the family, in the home, in industry, and in all State services.

Can you let your local branches and individual subscribers know how glad I should be of their help ?

Yours faithfully,

M. Corbett Ashby.
