

There are **35 million**
potholes in Britain

But your money is
being spent on bridges
like this in Greece

The Government sends **£350 million** of our money to the European Union every week.

That's **£20 billion** a year – or **400 times** the national potholes fund.

There's going to be a referendum soon on our membership of the European Union.

We pay more in to the EU than we get out of it. If we Vote Leave, we'll be able to take back control and spend our money on our priorities – like the NHS, schools, and fixing our roads.

If you'd like to help us take back control, visit voteleavetakecontrol.org/organise or fill in the form below and send it back to **'Freepost VOTE LEAVE'**
