Paul Rogers' Monthly Briefing

Blueprints for a Green Challenge

There is no doubt that climate disruption is one of the greatest challenges facing the global community and given the lack of an appropriate response it is going to be essential for some states to take a much more assertive role. This briefing discusses what would be required for a country like the United Kingdom to take such a lead.

Upcoming Event: Conceptualising Remote Warfare: The Past, Present and Future

This two-day workshop will engage a wide range of experts from academia, the military, government, and civil society to explore the past, present and future of remote warfare. The keynote speaker will be Sir Hew Strachan. Panels and other speakers are TBC. [Read more >>](#)

Westminster Round-Up | January 2019

Megan Karlshøj-Pedersen, RWP's Research and Policy Assistant, provides an overview of the main developments in UK defence and security policy this month. A key story in January has been the reaction of MPs to President Trump's surprise announcement of the US' withdrawal of troops from Syria, a measure that will leave Kurdish partners behind without adequate support.
