The people are most Polish Jews crowded with "green ones" who come in as long as. It is impossible to schedule them. A man's wife & child & 5 more are in one room is the sort of thing. These people live after their kind - there is no decency but there may be morality. All the Jews are in the same building.

talk about macaroni noodle sitting rooms one room in a building

(but then all down Schuster) a worky model of Jerusalem - a fearful place
