

5 *positive* reasons to Vote Leave and take back control

OUR MONEY

OUR PRIORITIES

Vote Leave on 23 June

1 Our money, our priorities

We send over £350 million to the EU every week – enough to build a modern hospital every week of the year.

If we vote to remain in the EU, we will keep sending this money to Brussels each week.

If we Vote Leave, we can spend our money on our priorities – like the NHS, schools, and housing.

2 Take back control over our laws

If we vote to remain, EU laws will overrule UK laws and the European Courts will be in control of our trade, our borders, and big decisions like whether prisoners are allowed to vote.

If we Vote Leave, UK laws will have ultimate authority and we will take back control.

We should be able to vote out the people who make our laws.

3 Build a fairer, safer immigration system

If we vote to remain in the EU, we'll be stuck with an out-of-control immigration system which is bad for our security.

The European Courts will be in charge of who we let in, and who we can remove. *Imagine if Turkey joins this broken system.*

If we Vote Leave, we will be able to have a fairer, more humane system based on the skills we need. We'll be able to control numbers without having to turn away talented people from outside the EU who want to contribute.

No need for a stamp – but it will help us if you use one!

4 Free to trade with the whole world

At the moment, the UK has no trade deals with important countries like China, India and Australia. If we vote to remain in the EU, we won't be able to make our own deals. We'll keep having the same old rows about bailing out the euro (€).

If we Vote Leave, we can have a friendlier relationship with the EU based on trade, as well as regain our seat on global bodies like the World Trade Organisation.

5 Vote Leave is the safer choice

If we vote to remain in the EU, we'll be locked in the back of the car going somewhere we don't want to go. **We'll keep subsidising other EU countries and losing more control every year.**

If we Vote Leave, UK laws will have ultimate authority and we will take back control. We'll be free to spend our money on our priorities. **Which do you think is safer for you and your family?**
