*Housing Return for England and Wales as  
at 30th September, 1965. (Cmnd. 2804)*

**AMENDMENT**

Tables III and IV of the Appendix to the Housing Return for June 1965 have been revised. They are re-printed on pages 79 to 83 of the present issue.

**CONTENTS**

**CONSTRUCTION OF PERMANENT HOUSES  
AND PROGRESS WITH SLUM CLEARANCE**

Analysis by regions, counties and local authority areas.

- TABLE I. For local housing authorities, the Commission for New Towns, new towns development corporations and private persons.
- TABLE II. For housing associations.
- TABLE III. Houses provided by local authorities outside their own area and distribution of houses provided by the Greater London Council. (Revised figures for June 1965).
- TABLE IV. Distribution of houses provided by housing associations assisted by the Greater London Council. (Revised figures for June, 1965).

**NOTES**

1. "**Houses**". This term includes permanent dwellings whether traditional or "new tradition". It includes flats of every kind and war-destroyed houses rebuilt but excludes all temporary houses.

2. **Areas**. Houses provided by a local authority are shown in table I against the name of that authority, whether they are erected inside or outside their own area. Table III amends and replaces the table published in June, 1965. It shows the adjustments to be made to table I for June to obtain figures of houses erected in each area. (This table will normally be published in June of each year.) Houses provided for private owners are shown in table I against the name of the authority in whose area the houses are situated.

3. **New towns**. Houses built for private owners in new towns on sites in which the Commission or development corporations have an interest are included in columns 4 and 5 against the name of the local authority or authorities in whose area the new town is situated. The numbers of such houses under construction or completed are also shown separately, in italics, against the name of each new town. Houses built by the Commission or development corporations are shown in columns 1-3 against the name of each new town and do not appear elsewhere.

4. **Boundary changes**. Where the boundaries of local authority areas have been altered, houses are shown against the local authority in whose area they are now situated.

5. **Housing associations**. Local authorities in whose area houses have been provided by housing associations (shown in table II) are indicated by an obelisk in table I. In appendices issued before June 1962 the figures were combined in table I.

6. **Population**. Column 7 of table I shows the estimate of the home population prepared by the Registrar General.

7. **Clearance areas**. Column 8 of table I shows the number of houses in clearance orders and compulsory purchase orders made under part III of the Housing Act 1957 confirmed by the Minister since 1st January, 1955. Column 9 shows the number of houses demolished under part III of the Housing Act 1957.

8. **Demolition and closing orders, etc.** Column 10 of table 1 shows the number of unfit houses demolished or closed elsewhere than in clearance areas.
