# BRITAIN IS BETTER OFF IN EUROPE

More than **3 million British jobs** are linked to Europe

**Paid holiday, maternity and paternity leave** are protected by Europe

**Almost half of all British exports** in goods and services go to countries in the European Union

British families **save on average £450 a year** at the checkout and our **consumer rights are protected** because we are a part of the European Union

Thousands of criminals, including terrorists, have been deported from Britain to face justice thanks to the **European Arrest Warrant**

Britain's influence as a **world power** is strongest as part of the European Union – we negotiate better deals that **keep prices down and help British businesses sell their products**

LABOUR **IN FOR BRITAIN**
