[Visitor mentions the great ^{material} difficulty placed
in the way of poor widows like this obtaining
relief, & the way in wh. they are bullied & threatened by
the relieving officers. They use every means to try to
make the woman break up her home, & go into the work-
house, where she & her family become permanently paupers)

A carpenter lived with this woman, but has now left. She now works at his shop, & goes to him at night, locking the children up in a room here. The family have paid no rent since June, & are about to be ejected from the house. The B's are waiting an opportunity to summon her for not sending children to school.
