CONSTRUCTION OF PERMANENT HOUSES  
AND PROGRESS WITH SLUM CLEARANCE

Analysis by regions, counties and local authority areas.

TABLE I. For local housing authorities, the Commission for New Towns, new towns development corporations and private owners.

TABLE II. For housing associations.

NOTES

1. "Houses". This term includes flats and other permanent dwellings of every kind and war-destroyed houses rebuilt but excludes all temporary houses.

2. Areas. Houses provided by a local authority are shown in table I against the name of that authority, whether they are erected inside or outside their own area. A table showing the adjustments to be made to obtain figures of houses erected in each area was included in the appendix to the Return for 30th June, 1964. Houses provided for private owners are shown in table I against the name of the authority in whose area the houses are situated.

3. New towns. Houses built for private owners in new towns on sites in which the Commission or development corporations have an interest are included in columns 4 and 5 against the name of the local authority or authorities in whose area the new town is situated. The numbers of such houses under construction or completed are also shown separately, in italics, against the name of each new town. Houses built by the Commission or development corporations are shown in columns 1-3 against the name of each new town and do not appear elsewhere.

4. Boundary changes. Where the boundaries of local authority areas have been altered, houses are shown against the local authority in whose area they are now situated.

5. Housing associations. Local authorities in whose area houses have been provided by housing associations (shown in table II) are indicated by an obelisk in table I. In appendices issued before June 1962 the figures were combined in table I.

6. Population. Column 7 of table I shows the estimate of the home population prepared by the Registrar General.

7. Clearance areas. Column 8 of table I shows the number of houses in clearance orders and compulsory purchase orders made under part III of the Housing Act 1957 confirmed by the Minister since 1st January, 1955. Column 9 shows the number of houses demolished under part III of the Housing Act 1957.

8. Demolition and closing orders, etc. Column 10 of table I shows the number of unfit houses demolished or closed elsewhere than in clearance areas.
