Poor class, Polish Jews, mostly tailors & bootmakers. The unknowns would be Jews & probably same employment. Street narrow. Homes old & interiors in bad condition. More of the smaller houses.

Was in hospital in January

Poor foreign jews with the exception of three families. Nearly all tailors - These jews are rather cleaner than the usual run of foreign jews. Been settled here ^{some} longer time.

Low extremely poor class of Irish + Italians (with a few exceptions) - both poor to be found. The men would work if they could get it & don't less than their wives - who waste the little that is earned.

Mostly just keep their heads above water with labors at canals & wharfs - The regular men are paid by the week - 5^o per hour is the top rate - hours from 4 to 5 winter & 6 towards for daylight - ^{in summer} may long days in summer all paid by the hour - except that piece work is taken. One man may take the job & shares with others -
