"Nothing is more essential than a strong and enduring League of Nations. Millions of British men and women stand ready to help if only they be shown the way. I commend the cause to the citizens of my Empire."

THE ARMY WHOSE AIM IS
PEACE AND JUSTICE
THROUGHOUT THE WORLD

Join the League of Nations Union and do your
bit to make the League a great Power for Peace

In ten years the League of Nations has stopped five wars
and saved thousands of lives.

By risking all you had to give in the Great War, you did
all that patriotism could do
THEN.

By supporting the League, of which Britain is a founder-
member, you will do a real act of patriotism
NOW.

A Million of your Comrades fell in the
War to End War. They did not fail their
country. Will you, who still live, fail
her now?

Resolution passed at the Annual Conference of the British Legion, May, 1928:—

“That this Conference requests the whole-hearted support of the British Legion be given to the League of Nations Union in its endeavours to promote a world peace, and further advocates the use of Legion machinery on all possible occasions to assist in bringing about the desired result of settling all international disputes by arbitration, thus endeavouring to bring to a practical consummation one of the main principles on which the British Legion is founded, i.e., to secure Peace and Goodwill on earth.”
