Size of houses varies greatly, ranging from 3 to 8 or 9 rooms and rents from 6/- to 16/- per week. Many houses are sublet in single rooms at 2/6 to 3/- each. With the exception of some of the shopkeepers, the people are of the poorest class. Nearly all the people are Irish, given to drink but not very migratory. When they do move it is usually in the immediate neighborhood.

Decent class of people. Much better than Brook Street which is a continuation of this street. The building containing 12 families is a small block of model dwellings, let on terms some of which have 3 rooms + a wash house @ 4/6 per week others 2 rooms + wash house @ 4/6 per week
