Very varied class of houses. Scarcely six consecutive houses alike. Some old-fashioned wooden fronted houses. Private houses let at from 8/6 to about 18/ + shops from 12/- to 25/- per week. Used to be a great market place but most of the trade has migrated to Crisp Street. Many shops have empty for years - Very mixed people. From professionals to poor labouring people. Rents have fallen

Some of these shops may be better than others. I think they have been turned into shops - female home

Greatly improved in recent years. Poor labouring class of people. Not so much given to drink as formerly. Was an outbreak of scarlet fever about twelve months ago here & the Board of Works made the owners of some of these houses put them in thorough repair.
