EXPLANATORY NOTES

PREFACE

The population data in this report are based on the 1960 Population Census taken on 6th September, 1960. Volume 7 shows the social and economic characteristics of the population in each magisterial district and economic region. The characteristics occupation, industry and type of abode are dealt with in this report.

This report is the second of three reports comprising Volume 7 in the series on the Population Census taken on 6th September, 1960. Volume 7 shows the social and economic characteristics of the population in each magisterial district and economic region. The characteristics occupation, industry and type of abode are dealt with in this report.

A list of reports which have already been published in respect of the 1960 Population Census appears under the heading "Bibliography" in the explanatory notes.

D.P.J. BOTHA
DIRECTOR OF STATISTICS

PRETORIA
MARCH, 1968

This report is divided into four series of tables containing information on Whites, Coloureds, Indians and Bantu respectively.

1. Presentation

In all tables magisterial districts are grouped according to the 11 economic regions with a sub-total for each region and a total for each of the four racial groups and for South Africa. A map and index showing the economic regions and constituent magisterial districts are given on page XIV and XV.

2. Occupational Classification

The occupational classification employed in Table 1 is based on the International Standard Classification of Occupations with the necessary modifications and amendments to suit South African conditions. The basis of the occupational classification is the nature of the work done, irrespective of the industry in which the occupation is exercised.

VOORWOORD

Particulars are given according to major occupational groups.

Hierdie verslag is die tweede van drie verslae wat Boekdeel 7 uitmaak in die reeks oor die Bevolkingsensus wat op 6 September 1960 gehou is. Boekdeel 7 toon die sosiale en ekonomiese eienskappe van die bevolking in elke landdrosdistrik en ekonomiese streek. In hierdie verslag word die eienskappe beroep, nywerheid en tipe woning behandel.

'n Lys van verslae wat reeds gepubliseer is ten opsigte van die Bevolkingsensus van 1960 verskyn onder die hoof "Bibliografie" in die verduidelikende opmerkings.

D.P.J. BOTHA
DIREKTEUR VAN STATISTIEK

PRETORIA
MAART 1968

This major group includes skilled tradesmen and production workers, unskilled production workers, apprentices and trainees are also included in this major occupational group.

Except for farm labourers who are included in the major occupational group "Farmers, Husbandry and Related Worker", all labourers whether in mining, manufacturing, construction, transport and recreation worker.

This major group comprises a miscellaneous collection of persons employed in various service occupations. It includes police and prison officials, traffic inspectors, hawkers, cleaners of offices and other buildings, domestic servants, nurses, etc., in private households as well as in hotels, boarding houses, etc., waiters and barmen; hairdressers and other toilet service workers.

EXPLANATORY NOTES

1. Basis of enumeration

The population data in this report are shown on a *de facto* basis, that is, persons are shown according to the place where they were enumerated. The following exceptions, inclusions and exclusions should be noted:

- (a) Persons enumerated on trains are shown according to their usual place of residence.
- (b) Where possible, South African residents who were abroad on census day were enumerated at a later date and these persons are also shown according to their usual place of residence.
- (c) Foreign visitors enumerated at the census are not included in this report. This explains the differences between the totals published in this report and those appearing in the report "Geographical Distribution of the Population" (Volume 1).
- (d) Members of the diplomatic services of other countries were not enumerated.
- (e) Foreign Bantu who were employed in South Africa on census day are included in the tables.
- (f) Tables A3, B3 and C3 show the numbers of Whites, Coloureds and Asiatics on census day according to the type of abode in which they were normally resident. It should be specially noted that semi-permanent absentees from home such as students and scholars resident in hostels, have been shown as residents of hostels, if enumerated there.

2. Race groups:

This report is divided into four series of tables containing information on Whites, Coloureds, Asiatics and Bantu respectively.

3. Presentation:

In all tables magisterial districts are grouped according to the 51 economic regions with a sub-total for each region and a total for each province and South Africa. A map and guide showing the economic regions and constituent magisterial districts appear on page xiv and xv

4. Occupational Classification:

The occupational classification employed in Table 1 is based on the International Standard Classification of Occupations with the necessary adaptations and amendments to suit South African conditions. The basis of the occupational classification is the nature of the work done, irrespective of the industry in which the occupation is pursued.

Particulars are given according to major occupational groups

The following major groups merit explanation:-

Administrative, Executive and Managerial Worker:

This major group includes public administrative officials in the service of the State, provincial administrations, and local authorities, as well as directors, managers and working proprietors in private undertakings. Working proprietors in wholesale and retail trade, however, are included in the major group Sales Workers, while farmers and farm managers are included in the major group Farmer, Fisherman, Lumberman and Related Worker. A further exception is a working proprietor who also gave a specific occupation, for example plumber. Such a working proprietor was classified to the occupation given, for example plumber.

Craftsman, Production Process Worker and Labourer:

This major group includes skilled tradesmen and production workers, as well as semi-skilled and unskilled production workers. Apprentices and trainees are also included.

Except for farm labourers who are included in the major occupational group Farmer, Fisherman, Lumberman and Related Worker, all labourers whether in mining, manufacturing, construction, etc., are included in this major occupational group.

Service, Sports and Recreation Worker:

This major group comprises a miscellaneous collection of persons employed in various service occupations. It includes police and prison officials; traffic inspectors; caretakers, cleaners of offices and other buildings; domestic servants, cooks, etc., in private households as well as in hotels, boarding houses, etc., waiters and barmen; hairdressers and other toilet service workers;

launderers; undertakers; entertainment, recreation and other sports workers.

5. Industrial classification:

The industrial classification employed in Table 2 is based on the International Standard Classification of All Economic Activities with the necessary amendments and adaptations for South African conditions.

Particulars are given according to industry divisions.

A brief indication of what is included under the different industry divisions follows:

Division 0:

Agriculture, Forestry, Hunting and Fishing, including Veterinary Services and other agricultural services such as spraying of crops, harvesting, threshing, etc., when conducted as a separate business.

Division 1:

Mining and Quarrying.

Division 2/3:

Manufacturing

Division 4:

Construction, including building, repairing and demolition of buildings, as well as civil engineering works and structural engineering.

Division 5:

Electricity, Gas, Water and Sanitary Services, including the generation of electricity and manufacture of gas and the distribution thereof; also the storage, purification and distribution of water. Sanitary services include those which are undertaken by local authorities as well as by private contractors.

Division 6:

Commerce, including wholesale and retail trade, the motor trade, banks and other financial institutions, and insurance and real estate.

Division 7:

Transport, Storage and Communication, including public and private transport, except those divisions of the S.A. Railways which are classified under other appropriate industry divisions, e.g. catering (services), permanent way and works (construction), workshops (manufacturing), etc.

Division 8:

Services - Government, Business, Recreation and other Services. This division includes the Government, provincial administrations and local authorities, except those departments or divisions which are separately classified under appropriate industry divisions. It also includes educational, medical and health services, research and scientific institutions; religious, welfare and labour organisations; organisations for the promotion of business interests; cultural and political organisations; business services such as architectural, engineering, land surveying, legal and accounting services; recreation and entertainment services and other services such as domestic, refreshment and accommodation services; laundry and toilet services.

Division 9:

Persons "Not economically active" including housewives, scholars, etc. This division also includes a number of persons whose industrial classification could not be ascertained from the information furnished in the census returns.

6. Marital status

"Married" includes persons living together in stable de facto unions.

"Other" includes widowed, divorced and unspecified.

7. Type of abode

Institutions: Premises where persons are usually confined for long periods of time, for example mental and leper hospitals, prisons, old-age homes and homes for the chronic sick, orphanages, etc.

"Other" includes apartments, barracks, quarters and similar collective dwellings; huts, cabins, tents, caravans, etc; also dwellings unspecified.

8. Urban and rural areas

The majority of magisterial districts are comprised of both urban and rural areas. However, there are 11 districts, namely Bellville, Cape, Simonstown, Wynberg, Durban, Benoni, Boksburg, Brakpan, Germiston, Johannesburg and Springs which are entirely urban and 9 districts, namely Middledrift, Impendle, Mapumulo, Msinga, Ndwedwe, Mahlabatini, Nkandla, Ubombo and Sibasa which are entirely rural.

9. Districts omitted

In certain districts there were no members of the Asiatic race present on the night of the census. In these cases the names of the districts have been omitted from the relevant tables.

10. No separate tabulations have been made in respect of the 7 Asiatics enumerated in the Orange Free State. These Asiatics have been included in the totals for South Africa.

11. Variations in data

In some cases there are differences between the figures for corresponding items in the relevant tables of the same report or of different reports. These variations are ascribable to the method adopted in machine processing the data. The differences are in most cases relatively insignificant and therefore unimportant. Furthermore the total of the persons, tabulated according to the various characteristics in the tables, seldom agrees with the relevant population total. The difference between this total and the relevant population figure is indicated below the "Total" column by a plus (+) or minus (-) sign. This difference added to or subtracted from the total of persons tabulated, gives the "Population Total" which is shown at the foot of each table.

12. Bibliography

VERDUIDELIKENDE OPMERKINGS

1. Basis van opname

Die bevolkingsdata in hierdie verslag word op 'n de facto basis getoon, dit wil sê, persone word getoon volgens die plek waar hulle opgeneem is. Daar moet op die volgende uitsonderings, insluitings en uitsluitings gelet word:

- (a) Persone wat op treine opgeneem is, word ooreenkomstig hulle gewone woonplek getoon.
- (b) Waar moontlik, is Suid-Afrikaanse inwoners wat op die sensusdag in die buiteland was op 'n later datum opgeneem en hierdie persone word ook ooreenkomstig hulle gewone woonplek getoon.
- (c) Vreemde besoekers opgeneem ten tye van die Sensus word nie in hierdie verslag ingesluit nie. Dit verklaar die verskille tussen die totale wat in hierdie verslag gepubliseer word en dié wat in die verslag "Geografiese Indeling van die Bevolking" (Boekdeel 1) verskyn.
- (d) Lede van die diplomatieke dienste van ander lande is nie opgeneem nie.
- (e) Vreemde Bantoes wat op sensusdag in Suid-Afrika werksaam was, is in die tabelle ingesluit.
- (f) Tabelle A3, B3 en C3 toon die getalle Blankes, Kleurlinge en Asiate soos op sensusdag volgens die tipe woning waarin hulle gewoonlik woonagtig was. Daar moet veral op gelet word dat semi-permanente afwesiges van die huis, soos studente en skoliere wat in koshuise woon, as inwoners van koshuise getoon is, as hulle daar opgeneem is.

2. Rassegroepe

Hierdie verslag is in vier reekse tabelle ingedeel met inligting oor onderskeidelik Blankes, Kleurlinge, Asiate en Bantoes.

3. Presentasie

In alle tabelle is die landdrostdistrikte gegroepeer volgens die 51 ekonomiese streke met 'n sub-totaal vir elke streek en 'n totaal vir elke provinsie en vir Suid-Afrika. 'n Kaart en gids wat die ekonomiese streke en die landdrostdistrikte waaruit hulle saamgestel is, toon, verskyn op bladsye xiv en xv

4. Beroepsindeling:

Die beroepsindeling gebruik in tabel 1, is gebaseer op die Internasionale Standaardklassifikasie van Beroepe met die nodige aanpassings en wysigings om aan te pas by Suid-Afrikaanse omstandighede. Die basis van die beroepsindeling is die aard van die werk verrig, ongeag die nywerheid waarin die beroep uitgeoefen word.

Gegewens word volgens hoofberoepsgroepe verstrek.

Die volgende hoofgroepe verg verduideliking:-

Administratiewe, Uitvoerende en Besturende werkers:

Hierdie hoofgroep sluit in openbare administratiewe beamptes in diens van die Staat, provinsiale administrasies en plaaslike owerhede, sowel as direkteure, bestuurders en werkende eienaars in private ondernemings. Werkende eienaars in die groot- en kleinhandel is egter ingesluit by die hoofgroep verkooptwerker, terwyl boere en plaasbestuurders ingesluit is by die hoofgroep boer, visser, bosbou- en verwante werker. 'n Verdere uitsondering is 'n werkende eienaar wat ook 'n spesifieke beroep aangegee het, bv. loodgieter. Sodanige werkende eienaar is ingedeel by die beroep aangegee, bv. loodgieter.

Vakman, Produksieproseswerker en Arbeider:

Hierdie hoofgroep sluit in geskoolde ambagsmanne en produksiewerkers, sowel as halfgeskoolde en ongeskoolde produksiewerkers. Vakleerlinge en kwekelinge is ook ingesluit.

Afgesien van plaasarbeiders wat ingesluit is by die hoofgroep boer, visser, bosbou- en verwante werker, is alle arbeiders, hetsy in mynswese, vervaardiging, konstruksie, ens., by hierdie hoofgroep ingesluit.

Diens-, Sport- en Ontspanningswerker:

Hierdie hoofgroep bestaan uit 'n diverse versameling van persone geëmplojeer in verskeie diens-

beroepe. Dit sluit in polisie- en gevangenisbeamptes; verkeersinspekteurs; opsigters; skoonmakers van kantore en ander geboue; huisbediendes, kokke, ens., in private huishoudings sowel as in hotelle, losieshuise, ens.; tafelbediendes en kroegmanne; haarkappers en ander toiletbediendes; wasserywerkers; begrafnisondernemers; vermaaklikheids-, ontspannings- en ander sport-werkers.

5. Nywerheidsklassifikasie

Die nywerheidsindeling soos gebruik in tabel 2, is gebaseer op die Internasionale Standaard-klassifikasie van Alle Ekonomiese Bedrywighede met die nodige wysigings en aanpassings vir Suid-Afrikaanse omstandighede.

Besonderhede word volgens nywerheidsafdelings gegee.

'n Beknopte aanduiding van wat onder die verskillende nywerheidsafdelings ingesluit is, volg:

Afdeling 0:

Landbou, bosbou, jag en visvangs, insluitende veeartsenykundige dienste en ander landbou-dienste soos die bespuiting van gesaaides, oes, dors, ens., indien dit as 'n afsonderlike besig-hed beoefen word.

Afdeling 1:

Mynwese en steengroewe

Afdeling 2/3:

Fabriekswese

Afdeling 4:

Konstruksie wat die bou, herstel en sloop van geboue sowel as siviele en boukundige ingenieurswerke insluit.

Afdeling 5:

Elektrisiteit, gas, water en sanitêre dienste wat insluit die opwekking van elektrisiteit en gasontwikkeling en die verspreiding daarvan; asook die opgaar, suiwer en verspreiding van water. Sanitêre dienste sluit dié in wat deur plaaslike owerhede sowel as private kontrakteurs onderneem word.

Afdeling 6:

Handel wat insluit groot- en kleinhandel, die motorhandel, banke en ander finansiële instel-lings asook versekering en vaste eiendom.

Afdeling 7:

Vervoer, berging en kommunikasie wat insluit openbare en private vervoer, uitgesonderd dié afdelings van die Suid-Afrikaanse Spoorweë wat onder ander toepaslike nywerheidsafdelings geklas-sifiseer is, bv. verversings (dienste), spoorbaan en werke (konstruksie), werksinkels (fabrisering), ens.

Afdeling 8:

Dienste, Staats-, besigheids-, ontspannings- en ander dienste. Hierdie afdeling sluit in die Staatsdiens, provinsiale administrasies en plaaslike owerhede, uitgesonderd dié departemente of afdelings wat afsonderlik onder toepaslike nywerheidsafdelings geklassifiseer is. Dit sluit ook in opvoedkundige, mediese en gesondheidsdienste asook navorsings- en wetenskaplike instellings; godsdienstige, welsyns- en arbeidsorganisasies; organisasies vir die bevordering van besigheids-belange; kulturele en politieke organisasies; besigheidsdienste soos boukunde, ingenieurswese, opmeting, regsdiens en rekenkundige dienste; ontspannings- en vermaaklikheidsdienste en ander dienste soos huishoudelike, verversings- en akkommodasiedienste; wasserye en toilet dienste.

Afdeling 9:

Persone "nie ekonomies bedrywig" sluit in huisvrouens, skoliere, ens. Dié afdeling sluit ook 'n aantal persone in wie se nywerheidsindeling nie bepaal kon word uit die inligting in die sensusopgawes verstrekkend nie.

6. Huwelikstaat

"Getroud" sluit persone in wat saamleef in stabiele de facto-verbintenisse.

"Ander" sluit wedustaat, geskei en ongespesifiseer in.

7. Tipe woning

Inrigtings: Persele waar persone gewoonlik vir lang tydperke gehou word, byvoorbeeld sielsieke- en melaatsehospitale, tronke, tehuse vir oues van dae en chroniese siekes, weeshuise, ens.

"Ander" sluit in kamerwonings, kasernes, kwartiere en dergelike kollektiewe wooneenhede; hutte, tente, karavane, ens., sowel as ongespesifiseerde wonings.

8. Stedelike en plattelandse gebiede

Die meeste landdrostdistrikte bestaan uit beide stedelike en plattelandse gebiede. Daar is egter 11 distrikte, te wete, Bellville, Kaap, Simonstad, Wynberg (K), Durban, Benoni, Boksburg, Brakpan, Germiston, Johannesburg en Springs wat uitsluitlik stedelik is en 9 distrikte, te wete Middeldrift, Impendle, Mapumulo, Msinga, Ncwedwe, Mahlabatini, Nkandla, Ubombo en Sibasa wat uitsluitlik plattelands is.

9. Distrikte weggelaat

In sekere distrikte was daar geen lede van die Asiatiese ras teenwoordig op die nag van die sensus nie. In hierdie gevalle is die name van die distrikte uit die betrokke tabelle weggelaat.

10. Geen afsonderlike tabelliasies is gemaak nie ten opsigte van die 7 Asiate in die Oranje-Vrystaat opgeneem. Hierdie Asiate is by die totale vir Suid-Afrika ingesluit.

11. Afwykinge in gegewens

In sommige gevalle bestaan daar verskille tussen die getalle van ooreenstemmende items in die betrokke tabelle van dieselfde verslag of van verskillende verslae. Hierdie verskille moet aan die metode van masjinale verwerking van die gegewens toegeskryf word. In die meeste gevalle is die verskille relatief klein en dus onbelangrik. Bowendien stem die totale getal persone wat onder die verskillende eienskappe in 'n tabel ingedeel is, selde met die betrokke bevolkingstotaal ooreen. Die verskil tussen hierdie totaal en die betrokke bevolkingstotaal word onder-aan die "Totaal"-kolom deur 'n plus - (+) of minusteken (-) aangedui. Hierdie verskil bygetel by of afgetrek van die totale getal getabelleerde persone, gee die "Bevolkingstotaal", wat onder-aan elke tabel verskyn.
