

BISA Event Podcast: Building Partner Capacity and Remote Warfare

27 March 2019

From 28 February to 1 March, the Remote Warfare Programme held a two day conference entitled 'Conceptualising Remote Warfare: The Past, Present and Future'. Sponsored by the British International Studies Association, the conference brought together a wide range of experts from the military, academia, civil society and parliament and explored the many aspects of remote warfare.

This panel discusses building partner capacity in remote warfare.
