Dear Mr Park

Having heard that you are a passenger on the "Lurline" as State President of the above organisation I should like some of our leading & prominent feminists to meet you during your brief stay in Sydney if you could make it possible.

Could you appoint a time to lunch with us or have afternoon tea? If so would you please ring up Mr H. J. Bennett. Y. 2539 & she will immediately get in touch with some of our most progressive thinking women who would like to meet you -

Sincerely yours.

(Mrs) Emily Bennett.
