My dearest Amy,

How lovely flowers, & being  
before me again your constant  
sympathy and love, were ever  
so welcome last night. I wish  
you could have been with us.  
It was a magnificent meeting.  
I feel there is still hope of our  
work wisely of getting a date

for the 2<sup>nd</sup> reading which will make  
it worth having.

How nice about the Portsmouth  
working man!

I have enjoyed the book

letters immensely. It is

so delightful how he never

misses an opportunity of

testifying to his belief in

Woman's freedom. I am so glad

I have the book — as yours

Gift too,

Ever lovingly yours
