needlework)

Dear Madam

I am glad to hear
that six of my pieces
of work sold at
the Bazaar the other
day. I am quite
willing to leave the
rest in yr. hands
on condition that

you sell them at

the prices I put on
(or more if you can get it)
them. I shall have

to replace them at

our local Bazaar

in August for wh.

they were made

& I sh^d not like to

do that if you pulled

down the prices. All
the materials are
good & the work very
neat & they are quite
worth the prices asked.

I sh^d be glad to
have the tin case
sent to my daughter's
house (Miss Garrett
Anderson Md)

114^a Harley St.
Door in Devonshire St

I hope the Bazaar as
a whole was a success.

I have been a Suffragist
for 50 years & I am
very happy to see the
progress now being
made in the good
cause & by many
active agencies. Having
been for years responsible
for the medical women's
movement I had to be very
cautious about working for

12/400 cont.

In the suffrage. - But I
was one of the 2 or 3
who escorted the petition
for the suffrage presented
by Mr. J. S. Mill, to
the H. of Commons in
the early 60's

Yours truly

J. Garnett Anderson
