Dear Madam,

I am enclosing 2/6,

Subscription to the Women's

Suffrage Society.

If you are in need of

Canvassers after this

week, I shall be pleased
to help two afternoons
in the week, in London;
if, without any former
experience, you think I
shall be any use. But
any one I canvass for
must be in favour of
Women's suffrage - &

a Liberal. Perhaps you
might find me useful to
canvass with some other
kind of experience.

Yours faithfully,
Ruth Young.
