Report of Executive Committee to Annual General Meeting of Council, 1937, for year 1936-37.

1. Meetings.

The Executive Committee this year has numbered 44 members, of whom 27 are representatives of Local Associations. There have been six meetings with an average attendance of 31. The attendance will, it is expected, be larger now that an arrangement has been arrived at whereby all local representatives receive the whole of their fares (see below).

In February the Executive accepted the invitation of the North-Eastern Association to meet in Newcastle. The Local Association entertained members at a reception in the Women's Union of Armstrong College on the Friday evening, to lunch on the Saturday and arranged hospitality for the night. The business meeting was held at the High Heaton Girls' Secondary School. The Executive express their grateful thanks for the very hospitable welcome given them by the officers and members of the North-Eastern Association.

The Annual General Meeting of the Council was held in Glasgow, on June 19th, at the invitation of the Glasgow Association. An account of the meeting is given on page 14.

2. Christmas Sale 1936.

(Organised by Sub-committee of International and Fellowships Appeal Committee. Chairman: Mrs. Smedley MacLean; Hon. Secretary: Mrs. Hartas Jackson; Hon. Treasurer: Mrs. Cash.)

The proceeds of the Sale in November 1936 and donations from Local Associations and individual members and friends amounted to £425. Her Majesty Queen Mary graciously showed her interest in the Sale by again sending a gift of a handsome china vase which made a fine addition to the china stall.

The Executive Committee record their grateful thanks to the Sale Committee, the Local Associations and to all who contributed to the satisfactory result of the Sale.

The money was allocated as follows:—

£100 to Crosby Hall Scholarship, 1937-38.

£100 to International Fellowships Fund—income account.

£100 to German Refugees.

£75 for a Junior British Scholarship.

£25 for expenses of administering fellowships.

Details of the awards, which included individual grants to

four German Refugees, are given in the report of the Academic Sub-committee.

The next Sale is fixed for November 6th, 1937, at Crosby Hall. It has been decided to make the stalls as international in character as possible and to have a larger variety of stalls, which will probably include toys, peasant work and suitcases. The Sale Committee are working to interest more members in the Sale in order to improve the attendance.

3. Relations with other Organisations.

The former Parliamentary Sub-Committee has been re-named the Parliamentary and Public Relations Sub-Committee (Convener: Miss H. Lawrence; Reporter to Executive: Mrs. Peattie). Regular monthly meetings have been arranged during the year so that any business could be dealt with as it arose. On its recommendation the following resolution was sent in November to the Secretaries of State for the Colonies and for the Dominions:—

“This meeting of the Executive Committee of the British Federation of University Women, Ltd.:—

1. Deplores the action of His Majesty's Government in debarring women from administrative positions in the Colonial and Dominions Offices.
2. Points out that this action contravenes the general principle that all posts in the Civil Service should be open to both sexes equally except where adequate and publicly announced reasons exist to the contrary.
3. Respectfully submits that, in view of the admittedly valuable work which women have done in the fields of anthropology and exploration and of the fact that in the Dominions women play a very active part in public life, sufficient grounds do not exist for debarring women from service in the Dominions and Colonial Offices.”

Letters were sent to the Prime Minister and to the Minister of Health and to M.P.'s for Universities protesting against the differentiation of income limit (£400 and £250) between men and women in the Contributory Pensions Bill which was before Parliament in April. Local Associations were also asked to get into touch with their M.P.'s where possible. (See also page 14.)

The Federation supported a deputation to the Minister of Health organised by the Over Thirty Association on housing for one-person families and made a small contribution to the cost of the deputation.

At the request of the Executive, the Parliamentary and Public Relations Committee has again had under consideration the method of appointment of magistrates and is in touch with the sub-committee of the Manchester Association on

this question. No recommendations have yet been made this year.

The Federation contributed information on the status of university women for a Memorandum on the Status of Women which was submitted by women's organisations to the Government in September 1936. The object of the Memorandum was to provide the Government with information to lay before the League of Nations when the matter was considered.

The Joint Committee on Recruitment for the Civil Service, on which the Federation has again been represented, has published reports on opportunities in various departments of the Civil Service which have been circulated to Universities and Schools. The Federation has made a donation of £5 towards the cost of the Reports.

A collection for the University Ambulance Unit in Spain was taken at the March meeting of the Executive, as a result of which a donation of £5 was sent from the Federation.

During the year the whole relationship of the B.F.U.W. to outside bodies has been very carefully reviewed by the Executive. It has been represented to the Executive that some members of the Federation felt that the Federation was taking too active a part in matters which did not strictly concern university women, while others were opposed to any curtailment of its activities. Information was therefore circulated of the relation of the B.F.U.W. with other organisations during the past three years, and after consideration the representation of the B.F.U.W. on the following bodies was confirmed:—

Women's Employment Federation: (Constituent member), Representative: Miss H. Reynard.

Joint Committee on Recruitment for the Civil Service: (Constituent member). Representatives: Miss S. Campbell, Miss J. de L. Mann and Dr. J. J. Milne.

National Council of Women: (Affiliated). Representative on Parliamentary and Legislation Sectional Sub-Committee: Miss H. Lawrence.

Joint Committee on Women in the Civil Service: (Constituent member). Representative: Miss E. J. Abrons.

Joint Committee on Women Employed by Municipal Authorities: (Constituent member). Representative: Miss H. Lawrence.

Joint Committee for Interchange of Teachers: (Constituent member). Representatives: Miss T. Bosanquet, Miss A. M. Newman, Miss F. M. Wood.

Interchange Committee of League of Empire: Representative: Mrs. Wheeler.

Women's Advisory Council of League of Nations Union: Representative: Mrs. Ormerod.

British National Committee of International Peace Campaign:
Representative: Mrs. Ormerod.

The Federation has also been represented at the following meetings:—

Scottish Peace Congress, Edinburgh, November 1936.

Women's Employment Federation. Annual Meeting, February 1937.

Open Door Council. Annual Meeting, Birmingham, March 1937.

Conference called by Students' Committee of British Council, April 1937.

Deputation to Secretary of State for Dominions on Nationality of Married Women, organised by Pass the Bill Committee, April 1937.

Albert Hall Demonstration in support of the League of Nations and Disarmament, April 1937.

4. Membership.

(Convener of Sub-Committee and Hon. Organiser of Entertainments: Mrs. Wheeler.)

The sub-committee asked Local Associations to send in reports of their membership activities so that useful suggestions could be passed on to other Local Associations, and to appoint Membership Correspondents to keep in touch with headquarters activities. Mme. Adamowicz, first Vice-President of the I.F.U.W., very kindly addressed two Local Associations during her visit to England in February. The sub-committee suggest that all Local Associations should hold at least one meeting a year devoted to international work; and various other proposals have been made for assisting membership.

A week-end for Local Associations was held at Crosby Hall in April and twelve members from eight Local Associations took part. The week-end began with an informal At Home at Crosby Hall on the Friday evening to meet the Warden and residents. Sight-seeing expeditions, conducted by members in London, included the Temple, a tour of Chelsea, of the City of London and Petticoat Lane, Kew and Richmond, Hampton Court, a glass factory, a newspaper office and a Dockland Settlement, as well as visits to the theatre. It was a great pleasure to welcome members, who appeared to enjoy the week-end, and it is hoped that this experiment may develop into a regular activity.

Two travel tours were offered for members of the B.F.U.W. this summer (1937), under the auspices of the sub-committee. One was a private car tour through Roman France for owner drivers and other members, the other a walking tour in Norway with a member of the Norwegian

Federation.* The committee are indebted to Miss Hermes, a member of the I.F.U.W. Travel Committee, and to Miss E. L. Hill for their help and advice in planning these tours. It is hoped that facilities for members to visit other countries in small groups and the arrangement of week-ends at Crosby Hall will add to the attractions of belonging to the Federation.

5. Finance.

Two main changes have been introduced this year which should assist Local Associations.

Beginning with the February 1937 issue, the cost of printing the News Sheet will be borne by headquarters instead of by Local Associations.

As from January 1st, 1937, the return fare of local representatives to Executive Committee meetings will be paid from headquarters. Hitherto half has been paid by headquarters and half has had to be met by the member or her Local Association. Headquarters' funds will continue to bear half the fares, but the other half will now be met by a levy of 5 $\frac{3}{4}$ d. a head a year on all annual paying members. The proceeds of the levy will be carried forward from year to year as a travel fund.

With the view to facilitate the work of Local Association Treasurers, new forms for payments between Local Associations and headquarters have been devised and are at present under consideration by Local Associations.

6. News Sheet.

(Hon. Editor: Miss Clara Smith. Advertisement Manager: Miss S. Schofield.)

Three numbers have been issued. Rather more prominence has been given to the international side of the Federation's activities, which the editing committee believe specially interests members. The International Federation have supplied news additional to the Notes and Comments from other Federation Journals which is compiled by a British member. Professor Cullis contributed an article on her visit to Australia and New Zealand in the autumn of 1936, which was illustrated by a charming snapshot. An account was published of the I.F.U.W. Cracow Conference. Dr. Campoamor, President of the Spanish Federation, had promised an article† on women in Spain but the war intervened. Reviews of two of her books were published in the October number. The News Sheet Committee are very glad

* The French tour had unfortunately to be cancelled owing to lack of applications from members with suitable cars; but a party of four went over for the Norwegian tour.

† Subsequently received and published, June, 1937.

to receive correspondence from members and their books for review, as well as other contributions.

Beginning with the June 1937 number, the title of the "News Sheet" has been altered to "The University Women's Review."

The Advertisement Manager is to be congratulated on the growing number of advertisements. A letter has been sent to Local Associations pointing out ways in which they can help in finding advertisements.

7. Statistics of Women Graduates.

During the year the International Federation issued a Questionnaire on the Economic Status of Gainfully Employed University Women to meet a request for information from the International Labour Office. The questionnaire was circulated to all members of the B.F.U.W., of whom over 600 kindly sent replies. A special sub-committee is at present collating the answers.

The Executive Committee have considered, at the request of the Committee on International Relations, the possibility of collecting statistics about women graduating from Colleges and Universities in this country. A sub-committee was set up in March to consider the type of information which should be aimed at and possible ways of collecting it and keeping it permanently up to date. It is felt that such work should be started as soon as possible since application for statistical information on University Women is continually being made to the Federation, and up to the present no reliable data have been available.

8. Constitutions of Local Associations.

The final stage in the incorporation of the Federation has been completed this year. All the Local Association Constitutions have now been approved by the Executive Committee, and have been printed and circulated to their members.

9. Personal.

The Federation offers its congratulations to:—

Dr. Agnes Cowan on her appointment as Professor of Obstetrics and Gynaecology at the Medical College at Moukden.

Miss Phyllis M. Downie, Hon. Secretary of the Edinburgh Association, on winning the Hospitality Fellowship offered by the Geneva Branch of the Swiss Association of University Women to a member of the International Federation for September 1936.

Miss F. I. Taylor, H.M. Deputy Chief Inspector of Factories, Home Office, on being awarded the O.B.E. in the New Year Honours.

Miss Edith Stoney has very generously given a second and third Johnstone and Florence Stoney Studentship, for 1937 and 1938 respectively, each of the value of £250, to enable a British woman graduate of under 27 years of age to pursue scientific research in Australia or New Zealand for a year. Details of the award of the second Studentship are given in the Academic Sub-Committee's report.

The Federation would like to record its thanks to those who have given voluntary help with the work of the headquarters office during the year. Besides the Hon. Secretaries of Committees and the Hon. Editor of the News Sheet, special thanks are due to Mrs. Carter, of the London Association, who took over from Miss McWhan the work of keeping the card index of members up to date; and to Miss McHardy, of the Croydon Association, who gave help with an index of Fellowship applicants. Miss Ethel Taylor has kindly taken on the work of Compiler for Distinguished Appointments and Outstanding Achievements, in succession to Miss S. B. Jones.

The Federation records with much regret the deaths of:

Professor Margaret Benson, D.Sc., formerly Professor of Botany in the University of London at Holloway College.

Mrs. Hope Hogg, M.A., for many years President of the Manchester Association, who gave devoted support to the Federation, particularly to Crosby Hall.

Mrs. Chalmers Watson, C.B.E., M.D., formerly President of the Edinburgh Association and of the Scottish Women's Medical Association.

Dott. Isabella Grassi, President of the former Italian Federation, who was well-known to the British Federation.

Summary Report of Annual General Meeting of Council, 1937.

The fourth Annual General Meeting of the Council of the British Federation of University Women, Ltd. (or the 27th Annual Meeting of the B.F.U.W.) was held on Saturday morning, June 19th, 1937, at Queen Margaret College Union, Glasgow, by invitation of the Glasgow Association.

The Glasgow Association gave the Council a most hospitable welcome. On the Friday evening Sir Hector Hetherington, the Vice-Chancellor, and the University of Glasgow gave a Reception. The Hunterian Museum, including the collection of Whistler's paintings and drawings, was open for the occasion. The Glasgow Association kindly entertained members to lunch at Queen Margaret College Union after the business meeting on Saturday. In the afternoon they were taken in a fleet of private cars down the Clyde and past the Gareloch to the shores of Loch Long and entertained to tea in members' houses. The excursion, in fine, midsummer weather, gave members a charming glimpse of Scottish scenery before they returned home.

At the business meeting the President, Dr. Melville, took the Chair, and 79 members were present, representing 25 Local Associations.

The President opened the meeting with an address on university women and the post-war world. At the request of the meeting, Dr. Melville agreed to the publication of her address in the next number of the B.F.U.W. Review.

The **Report of the Executive Committee** was read and adopted. It was reported that Mlle Illakowicz, the Polish poetess, was giving a lecture at Crosby Hall in the autumn on Marshal Pilsudski, in aid of the Fellowships Fund, and was also visiting various Local Associations. An appeal was made for new buyers and for goods for the Christmas Sale, to be held on November 6th, 1937.

A statement was made on the present position of the Contributory Pensions Bill and members were asked to help in getting letters sent to the Minister of Health, urging him to accept the amendment to be moved in the House of Lords on June 30th.

It was reported that the Private Car Tour in Roman France had had to be cancelled but that it was hoped to arrange the Walking Tour in Norway, provided a sufficient number of applications were received.

The **Balance Sheet and Accounts** at 30th April, 1937, were received and adopted. The Hon. Treasurer said that the small balance was disappointing and was due to a number of additional items of expenditure. She emphasised the necessity for an increase in membership if the work of the Federation was to be carried on satisfactorily on the present subscription rate. Special facilities for members at Boots Library would shortly be introduced, and it was hoped that the travel tours would add to the attractions of membership. The accounts of the International and Fellowships Appeal Committee were also received and adopted, with slight amendments on the accounts as previously circulated.

Estimates were presented of income and expenditure for the coming year.

The **Report and Accounts of the Crosby Hall Association, Ltd.**, were presented by Mrs. Ormerod, who drew attention to the gifts which Mr. Brady had made towards the staircase and the tapestry fund in the Hall. A two-fold appeal, for the endowment of further fellowships and for the extension of the building, would probably be made within the next year.

Miss Stonedale, in presenting the Warden's Report, stressed the value of private hospitality by British members in their own homes to visiting foreign and Dominions members.

Election of Officers and Executive Committee. The following were elected for 1937-38:—

President: Dr. F. H. Melville, O.B.E., M.A., B.D., LL.D., J.P.

Hon. Treasurer: Miss M. C. Buer, D.Sc. (Econ.).

Hon. Secretaries: Miss Muriel Bond, M.Sc.
Mrs. Mary Burton Ormerod, B.A.

Executive Committee (2 to be elected): Miss S. Campbell, Professor W. C. Cullis.

Report of Local Associations. This year a brief composite report, prepared from the written reports sent in by Local Associations, was submitted to the meeting, in place of verbal reports by a representative of each Association. The new procedure was found more successful and it was decided to repeat it next year.

The **Report of the Committee on International Relations**, including those of the Academic and Hospitality Sub-committees and of the Joint Committee for Interchange, was received, together with some additions to the report of the Academic Sub-committee as circulated.

Resolutions adopted:

- (1) That Messrs. E. Watts & Co. be appointed auditors to the Company for the ensuing year.
- (2) That Messrs. Minet, Pering, Smith & Co., be appointed Solicitors to the Company for the ensuing year.

Votes of Thanks. Hearty votes of thanks were moved from the Chair for the hospitality extended to the Council, viz., to the Glasgow Association, and especially to Miss M. G. May, the President, Mrs. Tweeddale, Convener of the Hospitality Committee, and other Officers; to the University of Glasgow and especially the Vice-Chancellor; to Queen Margaret College Union and especially the Resident Secretary, Mrs. Bonfield; to the Tellers, Miss Russell and Miss Bennie; to Mrs. Allison, Miss M. Gray and Mrs. de B. Maclaren for entertaining members to tea; and to members and friends who had given hospitality for the night and who had lent cars for the Drive.

A vote of thanks was carried to the President for taking the Chair.

Summary of

Reports of Local Associations 1936-37.

Aberdeen. During the year 1936-37 the Aberdeen Association held four general meetings, a dinner and the summer outing. We have an increase of eight in our membership since last year.

The following speakers gave addresses:—Dr. Esslemont, who gave an account of the I.F.U.W. meeting in Poland last August; Miss McBain, who spoke on the Eclipse Expedition from Aberdeen University to Omsk, Siberia, last May; Dr. Leitch, of the Rowett Institute, who spoke on ‘Diet and Health;’ and finally Miss Lumsden, who gave a recital of poetry and Drama.

At the Annual Dinner the Association had as guests Mrs. Fyfe, wife of the Principal of the University, and Mrs. Fulton, first president of the branch, and Miss Spence Allan, from Edinburgh, was also present.

In response to a suggestion from Glasgow, the branch turned its attention to the desirability of women representatives on the governing boards of the Scottish Universities. In pursuance of this, Miss Rose and Miss Munro, Vice-President of the branch, spoke at a meeting of the General Council of Aberdeen University in April, calling the attention of the General Council to this matter and the following resolution was passed: ‘The General Council of the University of Aberdeen requests the Business Committee of the Council to consider how a woman representative can be elected to the University Court.’ At the present time this is under consideration of the Business Committee.

Bangor. The number of members is just about the same as during the last two years.

The President’s ‘At Home,’ which is usually given in October, did not take place, but instead Mrs. Simonsen gave a most enjoyable evening party before Christmas.

We sent a small parcel of gifts to the Crosby Hall Xmas Sale.

We had arranged to hold the Annual Dinner on May 29th, with Professor Olive Wheeler, D.Sc., Cardiff, as our principal Guest, but, owing to circumstances which were unavoidable, it had to be postponed. We intend to hold it in October, when we hope to have Dr. Wheeler with us.

The arrangement made with the Executive Committee with regard to a speaker for the Annual Dinner will be of the greatest help to our Association from the financial point of view.

Birmingham and Midlands. The Birmingham and Midlands Association of University Women has had another interesting and successful year.

Unfortunately, Mrs. Jefferis was compelled, owing to illness, to resign her position as Assistant Secretary in September; her place was taken by Mrs. Ebbs.

Once again we have drawn very largely upon our own members in arranging our meetings. In September we had holiday talks with epidiascope projections; in October two members reported upon the International Peace Congress. In March three members who do particularly interesting work, educational psychological investigation, Canadian summer camps, and printing, gave short accounts of it, and in April three of the four speakers at a well-attended debate were members. The subject was "That dictatorship is preferable to democracy"; the negative received the unanimous support of the meeting, but had members allowed themselves to be persuaded by eloquence instead of by personal inclination, the affirmative would no doubt have been well supported.

Our Annual Dinner was one of the most successful in recent years, and ninety-seven members and guests attended. The guest of honour was Miss Vera Brittain, who made a very charming and entertaining speech, in which the characteristics that won her fame, namely, her frankness and her purposefulness, were both discernible.

At our Annual Meeting in January we had the pleasure of welcoming Mrs. Ormerod, who gave us a very interesting and amusing account of the Cracow Conference. She kept us enthralled with her description of the more serious side of the Conference, as well as of the more frivolous side.

At the end of May some twenty members spent a very enjoyable time in Chipping Campden at the invitation of members of the Cotswolds Association.

Representatives of the Association have been invited to the Annual Dinners at Manchester, Liverpool and Leicester, and were able to accept the latter two; we very greatly appreciate these contacts with our fellow-members in other towns.

A membership committee was formed in April, with a view to stimulating membership, particularly amongst the younger graduates, and we hope our efforts will meet with a large measure of success.

We have been very fortunate this year in the number of members who have generously offered hospitality for our various meetings, thus very greatly facilitating the arrangements. Our informal monthly luncheons are very popular among members who are near enough to the centre of town to attend, and are very helpful in offering the opportunity of conversation and becoming acquainted with one another which does not always occur at ordinary meetings.

It is a custom of this Association for members to wear a badge bearing in clear print their name and University; we believe this is not a widespread custom and suggest that other Associations might appreciate the suggestion that they should follow suit.

Bradford. Since June, 1936, we have had 7 meetings and we have tried to get variety in the type of meeting, in order to attract as many different members on each occasion.

A Garden Party in June last was combined with a visit to the original of "Fieldhead" in C. Brontë's book "Shirley."

Mrs. Ormerod came down in October and gave us first-hand impressions of the Cracow Conference.

Another sidelight on internationalism was obtained when M. Inebnit, of Leeds University, spoke to us about the International Voluntary Service for Peace, or the Pick and Shovel League—as he called it. M. Inebnit gave us details of the work done by the League in Wales, France, Norway, Germany and Switzerland.

Three of our members next entertained us by their Travellers' Tales—of U.S.A. and S. Africa.

A Musical Evening in January, at Keighley, proved a very attractive meeting, and Bradford members went there by 'bus.

In March we had a Lantern Lecture, given by Madame Reybekiel, on Poland.

At our Annual Meeting at the end of May Miss Picton-Turberville gave a very lucid and inspiring account of her work as a member of the Royal Commission on Mui Tsai in Hong Kong and Malaya.

Our other activities are a Bridge Club of about 16 members, which meets fortnightly from September to April; a Tea Party given by the President, to welcome graduates newly arrived in Bradford; a collection of shillings for Federation Fellowships and the provision of coffee, etc., at meetings by members.

Bristol. The Bristol Association received with great regret the resignation of their President, Miss Morgan, in mid-session. Mrs. Nierenstein, who was appointed by the Committee Acting President, was elected with acclamation as President at the Annual General Meeting.

The Annual Dinner was held on November 18th. Two Exchange Mistresses accepted invitations to be present and gave their impressions of their visit to England. The Committee, discussing the membership question, felt that a series of talks on Old Bristol and visits to places of interest in connection with them would interest newcomers to the town. At the Spring Meeting, therefore, Mr. James, from the University, was invited to speak on Bristol History and gave

a most delightful talk on the social life of the City in the Eighteenth Century. The first expedition was planned for June, when a visit was arranged to the Temple Church and Dr. White's Almshouses, founded in the Seventeenth Century. For the Summer Meeting a joint excursion was arranged with the Cotswold Association to the Roman Villa at Chedworth.

The Bristol Association offered to entertain three members of the I.F.U.W. after the Coronation, but, to their great regret, no member was free to accept this hospitality at the time available.

Cambridge. The President, Miss Dent, invited members to an "At Home" at the Cambridge Training College for Women, on October 24th, 1936, to meet Miss Melville, who gave an account of the B.F.U.W. and of the International Conference held at Cracow in August, 1936.

A Dinner was held on January 27th, 1937, at which 83 members and friends were present. The Guests of Honour were Mrs. Cameron, Miss E. M. Hill and Mrs. Naomi Mitchison, the latter speaking on "Books."

The twenty-seventh Annual Meeting was held at the Cambridge Training College on May 1st, 1937. After some discussion, the majority of members present empowered the Executive Committee to write to the four local M.P.'s. (Borough, County and two University representatives) expressing the view that the maintenance of the rates of two scales of pay for men and women in the Common Classes of the Civil Service is contrary to the interests of both, and that the proposed differentiation in the income limit of entry between men and women in the Contributory Pensions Bill is deplored. Five pounds was voted to the International Fellowships Fund. After the business meeting, Miss E. M. Hill, Lecturer in Slavonic Languages in the University of Cambridge, gave an address on "The Personality of Lenin as seen in his Letters."

The total membership is now 200.

Cardiff. The Annual Meeting was arranged for July 3rd, to be held by invitation at the home of the Rev. Rosalind Lee, on a lovely part of the Gower Coast.

On November 4th, Dr. Margaret Bain and Miss Baker gave papers on the International Conference at Cracow—at University College—at an evening meeting followed by coffee.

On April 24th a Luncheon was held at the Park Hotel, Cardiff, when Miss Macadam, M.A., Secretary of the Joint University Council for Social Studies, was our guest and spoke on "The Public Service as a Career for Women."

A recent student of Aberdare Hall, Miss Margaret Bibey,

was chosen to spend six weeks in Denmark, as the guest of the Danish Federation, at their invitation.

The support of Mr. Patrick Munro, M.P. for Llandaff and Barry, was sought in connection with the B.F.U.W. proposals—Contributory Pensions Bill (Second Reading).

Support has been given from the Association to the Crosby Hall Fellowship Fund and to the National Joint Committee for Spanish Relief.

Dr. Margaret Bain, M.A., a member of the Association, has been appointed Dean of Women in the Edinburgh Training College, for September.

Cotswold. In spite of losses due to death and to failure in health and the usual departure of a certain number to other parts of the country, the total number of members has increased during the year and stands at 95.

Our record of meetings has this year been spoiled by various unavoidable circumstances which made it impossible to hold our usual autumn meeting. Both President and Secretary were hors de combat for some time through illness in the autumn and in March again an epidemic of influenza proved to be a complete hindrance to a debate planned for and by the younger members. We were, however, able to arrange for two pleasant meetings and invited members from Birmingham to one of these and from Bristol to the second.

Croydon. There have been six meetings during the year. The first was an Open Meeting, at which Miss Turner gave a full and stimulating account of the International Peace Congress at Brussels in September; this was a recruiting meeting and several new members enrolled. In December, Dr. I. Smedley MacLean was the Guest of Honour at Dinner and gave a detailed account of the meeting of the International Federation at Cracow.

In March, Miss P. K. Leveson spoke on the Fairbridge Farm Schools of Australia, and a visit to the Pioneer Health Centre at Peckham was arranged for April. On May, another Open Evening was held at the Croydon High School for Girls, when Miss M. Mellanby took as her subject "Borstal Training for Girls," presenting her somewhat sombre subject with humour as well as sympathetic understanding. The Annual Meeting took the form of a Garden Sherry Party in July.

Grateful thanks are due to the kind hostesses who entertained the Association and its friends and contributed so much to the success of the meetings.

East Surrey. The membership has increased during the past year to 56.

We had again a most interesting Dinner in the autumn, at the Old Wheel, Reigate. Mrs. Ormerod was the Guest of

Honour and gave us a vivid account of the International Conference at Cracow. Our President, Mrs. Bray, also told us about her time in America with the Countrywomen's Association, now one of the few associations left to which women of all nations belong.

The Annual General Meeting was held in Dorking, and after the business several members spoke on points of special interest to them in the Annual Report of the B.F.U.W.

For our third meeting, on Saturday, June 5th, Miss S. Campbell kindly invited the East Surrey Association to a Country Cottage Party at Bletchingley.

Edinburgh. The past year has been of special interest because a long felt want has been supplied and we have a "room of our own." In October the Association acquired a room in the Women Students' Union, with the privileges of the restaurant and cloakrooms. For meetings of the Association the atmosphere created by ownership has been noticeably pleasant, and those members who have used it as a clubroom have appreciated its convenience and comfort. We hope that it will also prove a congenial centre for members of the International Federation. Our thanks are due to friends who have contributed gifts to the room; to Mrs. Brash and Mrs. Quarry Wood for cushions and chairbacks, given to the Union for our use; to Miss Kidd for an etching, and to other members for subscriptions.

Meetings this year have been varied. After the Business Meeting in March, 1936, Mrs. Barger spoke on her impressions of Russia. The Summer Meeting took place at Manorhead, Stow, and was again an enjoyable outing. In October, the first meeting was a particularly successful "house warming," in the form of a sherry party and in December we had the honour of Dr. Frances Melville's company at supper, after which she gave an illustrated lecture on Cracow. In February Miss Gallie and Miss Gray were guests at a supper, and spoke on the proposals of the Glasgow Association for securing the representation of women on the Courts of the Scottish Universities, and discussed the possibility of running a woman candidate at the next parliamentary election.

Foreign visitors have again had such help as we could give them. An American over for a year's exchange, a South African and two Norwegians on tour were given introductions and hospitality, and two Canadians who had been over for the Conference in 1932 visited us again before going to Cracow.

Miss Downie was awarded a Fellowship by the Swiss Federation and spent a month in Geneva as their guest before going to Canada, where she has received much kindness from the Association in Toronto.

The membership of the Association remains practically

the same. We record with deep regret the death of Mrs. Chalmers Watson, C.B.E., M.D., a former President of the Association.

Glasgow. The first meeting of the session took the form of a Luncheon, at which the guest of honour was Miss Jane Oliver, the well-known novelist. Miss Oliver spoke most entertainingly on the trials and tribulations of a writer and incorporated in her speech much useful information. In November the President and Committee were "At Home" to members and to the graduates of 1926. Dr. Melville, our Hon. President, gave a talk, illustrated by lantern slides, on the I.F.U.W. Conference at Cracow, and on the tour which she subsequently made. Our third Ordinary Meeting took the form of a dinner, at which the guests were our new Vice-Chancellor and his wife, Sir Hector and Lady Hetherington. Sir Hector spoke of the need of philosophy in modern life, and we were also addressed by Lady Hetherington, whom we are proud to welcome back to our membership. In February three of our members spoke on "Work Abroad," and in March we had three speakers on the careers of Child Guidance, Accountancy and Dietetics. The Annual General Meeting was held in May.

In addition, a successful Coffee Morning and Sale took place in December, out of the proceeds of which £10 was sent to Headquarters for the Crosby Hall Sale Fund.

In June the Glasgow Association entertained the Delegates to the Annual General Meeting of the British Federation of University Women, Ltd.

On Friday, June 18th, a Reception was given by the University to the delegates. The Principal and Lady Hetherington received the guests in the College Rooms, and an opportunity was later given of viewing the Whistler Collection and other objects of interest in the Hunterian Museum.

After the A.G.M. on Saturday, June 19th, delegates were entertained to luncheon in Queen Margaret College Union, and thereafter motored to Rosneath and Cove, where three members of the Glasgow Association very kindly entertained them to tea.

Huddersfield. In addition to the Annual General Meeting, the Association has held four meetings this year.

At the Summer Meeting in June, 1936, members and friends visited the Derwent Valley.

In October, the President entertained us at Bryancliffe. Dr. Phillips gave a most interesting talk on "Women in Modern Novels."

The Bridge and Games Evening was held in December. Mrs. Gurney very kindly lent her house for the evening. As

a result of our efforts we were able to send £2. 10s. to the Fellowship Fund.

The Annual Dinner, held in February, was attended by members and friends. We welcomed representatives from the Leeds and Manchester Associations and our guest of honour was Miss H. M. Simpson, Vice-Principal of Leeds Training College. She gave us a very charming talk entitled "The Cinema and Literature."

The invitation from the Sheffield Association to send two representatives to their dinner was accepted and a very pleasant evening was spent at Sheffield. A similar invitation to Manchester unfortunately had to be declined, as it was impossible to get there owing to the heavy snow.

Hull. The Summer Meeting of 1936 was held at Rudstone in the East Riding, where the site of a Roman Villa is being excavated.

At the General Meeting in February, Miss A. M. Bentham gave us an informal and interesting address on "How it strikes a New Zealander." This was followed by a "Bring a book—buy a book" Sale, in aid of the Crosby Hall Fellowship Fund.

The Annual Dinner was held at the University College, Hull, in March. Our Guest of Honour was Miss J. P. Strachey, Principal of Newnham College, Cambridge, who gave us a challenging address on "Values in Education."

On June 7th we held an informal Garden Party and Picnic in the grounds of Newland High School, through the kindness of Miss M. M. Lee.

Leeds. In the autumn we held a Social Evening to welcome newcomers to Leeds. Later in the autumn we held our Annual Dinner.

In the spring we held a Joint Meeting with other women's societies; the speaker was Dr. Lowenfeld, who gave an account of her work in Child Guidance Clinics.

The Annual General Meeting was held at the beginning of the summer. An enjoyable Picnic was held later in the summer.

We were able this year to accept the kind invitation of Huddersfield and Sheffield to send representatives to their Annual Dinners.

Leicester. At our first Autumn Meeting we accepted the kind hospitality of Miss D. R. Smith, M.A., at the Girls' Collegiate School, when Miss Johnson, of the Nottingham Association, related some of her interesting experiences as a visitor to the International Conference at Cracow.

In November Miss Christine Ellis, M.A., fascinated her audience by her talk on Bulgaria. Miss Ellis showed some

very fine slides and interesting samples of Bulgarian hand-craft.

The two days' Bring and Buy Sale, organised by Mrs. F. L. Attenborough, and held at her home, realised the splendid sum of £32, which was allocated as follows:—

To the Association Loan Fund	£20
To the Headquarters Fellowship Fund	£ 7
To the Local Association Fund	£ 5

In February a Public Meeting, to which the Federation and other local Women's Organisations subscribed, was held at University College, when Prof. Allison Peers, of Liverpool University, spoke to a packed audience on the "Spanish Tragedy." The following week advantage was taken of Mrs. Smedley MacLean's visit to the local Biological Society to arrange an informal afternoon tea meeting, at which Mrs. MacLean spoke.

In March Mrs. Attenborough very kindly invited the members to an evening Coffee Party at her house. A lively discussion took place on the question whether or not the Federation should associate as a body with outside organisations, notably those having peace as their objective.

The Annual Dinner in April proved a very popular function. Miss Sybil Campbell's piquant and informal talk on her association with the Inner Temple delighted both members and their guests. Representatives from the Birmingham, Liverpool and Nottingham Associations were our guests on this occasion.

On a glorious Saturday in May, twenty of our members were the guests of the Nottingham Association on a joint picnic outing to Laxton. Dr. Chambers, of Nottingham University, conducted the party round to explain the Open Field system of cultivation, and the Vicar explained the history of the interesting village church. Our thanks are due to the Nottingham Association for a most enjoyable meeting: we hope to invite them to a similar outing next year. A still larger party visited Stratford-on-Avon in June, to see a matinee performance of a "Winter's Tale," and shared a picnic supper on the hills after the show.

The Association would like to express the thanks of the members to Principal Attenborough and to the Authorities for allowing us to hold our meetings at University College; to those members who so kindly put up guests for the Dinner, and to Mrs. Sheppard for arranging the service of afternoon tea, coffee and dinner at various meetings of the Association during the year.

Liverpool. At the A.G.M. in January, after the conclusion of ordinary business, Dr. A. M. Evans gave a most interesting account of her recent year of research in East Africa, to which

she went to study mosquitoes, making a very specialised and difficult subject intelligible and clear to the lay mind.

In the autumn Mrs. Smedley MacLean was our guest and gave us an account of the Council Meeting and the Conference of the I.F.U.W. held in Cracow.

In March we had hoped to have the Vice-Chancellor and Mrs. Stocks as our guests at our Annual Dinner, but, at the last minute, they were unfortunately prevented from coming. Lady Simon, at very short notice, came from Manchester to take their place and she and Professor Wilberforce replied to the toast of "Our Guests." To this dinner we invited representatives from the Birmingham, Leicester, London, Manchester and Nottingham Associations, and had the very great pleasure of welcoming two members from each of these branches.

In May, Miss Holt invited us to her house in Mossley Hill, to meet Miss Eleanor Rathbone, M.P., who gave us a vivid and intensely interesting account of her recent visit to Jugo-Slavia, Roumania and Czecho-Slovakia.

London. The London Association has, during the past year, increased its membership by 37. It therefore appears that the policy adopted by the Committee last year of co-operating with the Membership Committee of the B.F.U.W. has not proved ineffective.

The first meeting of the year was held at Crosby Hall, in October, at which the following British delegates: Dr. Melville, Dr. Smedley MacLean, Mrs. Ormerod and Miss F. M. Wood, spoke on various aspects of the Conference of the I.F.U.W. at Cracow. On December 3rd, Mr. Walter Wilkinson repeated his Puppet Show at Crosby Hall; this was attended by some seventy members and their friends. The Annual Dinner was held on February 5th, when Professor Winifred Cullis, C.B.E., spoke on "Our Friends of the Farthest Federations," and the London Association had the great pleasure of entertaining as their guests the Officers of the I.F.U.W.

The Committee has held five meetings, and among some of the matters which have come up for discussion have been the proposed levy on local associations towards the part payment of fares of members of the Executive to meetings, the affiliation of the British Federation of University Women to other organisations and the circularisation of the new Constitution.

Manchester. The Manchester Association suffered an irreparable loss by the death of Mrs. Hope Hogg, one of its most devoted and able members.

The Association has held four meetings in addition to the Annual Meeting. At the opening meeting, held at the

Women's Union, delegates gave reports on the Annual General Meeting of the Federation at Gloucester, the International Conference in Cracow and the National Council of Women's Conference in Southport (Magistrates' Resolution).

The November meeting took the form of a lively discussion on Equal Pay in the Civil Service and was most interestingly opened by three Civil Servants, Miss Darlow, Miss Limrick and Miss Rogers. A Resolution in favour of Equal Pay was sent from the meeting to the Prime Minister, the Chancellor of the Exchequer, the local Members of Parliament and the Members for the Combined Universities. Mrs. Stocks was in the chair, and this meeting was also a regretful farewell to her before her departure for Liverpool.

In December we had the privilege of hearing Dr. Melville on "The Federation and the younger University Women," and had as our guests some senior students and young graduates of Manchester University.

In January Miss Mitchell gave a most fascinating and lucid account of her experiences in Manchukuo and of that country's tangled problems.

We were fortunate enough to be able to hold the Annual Dinner at Ashburne Hall, and we were happy to have with us Mrs. Smedley MacLean and Mrs. Crosskey, some members of other local Associations and representatives of Continental Universities.

We owe cordial thanks to Miss Mitchell, Mrs. Stopford and Miss Needham for their hospitality.

In addition to these meetings, ten visits to interesting centres of Manchester's varied activities were arranged, as a means of raising a contribution to the Fellowships Fund, and also to give our members opportunities for social contacts.

North Eastern. The first meeting of the season was held in November, at St. Hild's College, Durham, where we held our usual Bring-and-Buy Sale, and subsequently had a delightful talk on Music from Miss Ethleen Scott. This time she took for her subject French Piano Music, with pianoforte illustrations.

The Annual Dinner was held in December at the University Union, Armstrong College. 82 persons were present and the Guest of Honour was Mrs. Ranjitham Aaron, who spoke on the History of Women in India.

In February the North Eastern Association entertained the Executive Committee to an out-of-town meeting. About 22 delegates and officers came to Newcastle and were given hospitality, chiefly in the homes of members. A reception was held for them in the University Union, Armstrong College, which was also the Spring meeting of the North Eastern Association, and about 70 members and guests had a pleasant social evening together. On the Saturday the

Executive Meeting was held, after which the guests were entertained to lunch at Tilley's Restaurant, before leaving for home.

The Association held its Annual General Meeting on April 30th, when much domestic business was discussed and arrangements were made for the Annual Picnic, which was held on July 3rd. Members visited Warkworth Castle, an ancient and now ruined stronghold of the Percy family, and subsequently took tea at Alnmouth.

Nottingham. The membership remains about the same as it has been for the past year or two.

There have been four meetings since the last Annual Meeting. Before Christmas there was an evening meeting, at which frivolous competitions proved very popular, and a Luncheon, at which three members who had attended the I.F.U.W. Conference, spoke on their Adventures and Misadventures in Poland.

In March a meeting was held to discuss the vexed question of the attitude of the Federation to political matters. Views were freely expressed, and a resolution on the matter was submitted to the Executive.

In May we welcomed Leicester members at a joint expedition to Laxton, where, through the kindness of the Rector and Dr. Chambers, we were shown over the Church, the Castle site and one of the Open Fields.

We are indebted to several branches for hospitality at the Annual Dinners. This has been a kindness which we have much appreciated and which we hope to repay during the coming year.

Oxford. The Oxford Association had an evening meeting in November, in St. Hugh's College, at which Miss Chattaway spoke about the Cracow Conference. To it were invited all the younger Oxford graduates resident in Oxford.

In March, after the Annual General Meeting, which was held in Somerville College, Miss Fry spoke on "Children's Courts."

In the Easter vacation Dr. Carleton and Miss Chattaway organised a Bridge Drive, and, as a result, were able to send £8 to the Emergency Fund of the International Studentship Fund.

During the Summer an expedition to Fairford and Bibury has been arranged. The Cotswold Association was asked to join with us and, although it was not possible to agree upon a date, we hope for a combined meeting next year.

Miss O. M. Willis kindly invited the Association to visit Downe House, Newbury, in July.

It has been a great pleasure to the Oxford Association

to entertain Mme. Adamowicz, when she found herself able to spend one day in Oxford, and also to have Dr. Carlson living in Oxford for the Summer term.

Reading. £9. 19s. 6d. was sent to Crosby Hall Sale, and a further contribution was voted from general funds at the Annual General Meeting held in May.

A very successful Dinner was held in November in the Senior Common Room of the University. There were excellent speeches by Miss L. M. Faithfull and Miss J. R. Bacon, who were the principal guests.

In February postgraduate students and graduates who have recently come to Reading were invited to a meeting which was held in the Abbey School. Mme. Adamowicz, first Vice-President of I.F.U.W., gave an address of much interest.

The first Association Lunch has been held and further meetings will be held next session, on the first Saturday of each month.

Sheffield. During the year three members' meetings have been held, addressed respectively by Fraulein Hilde Geiss, on "Women Students in Germany", by Miss de Velling, on the I.F.U.W. Conference at Cracow, and by Dr. Edna Lind, on her five months' visit to the United States.

Two further meetings have been held, jointly with the Sheffield Branch of the National Council of Women, at one of which Mrs. Skelton spoke on "Insularity," and at the other Professor Arthur Newell, of Boston, U.S.A., Lecturer for the Association for Anglo-American Understanding, gave a very interesting address on "America's Testing-Time."

A very enjoyable and well-attended Dinner was held in March, when the guest of honour was Miss Sybil Campbell. The Association was privileged to enjoy the hospitality of Crewe Hall, the new University Men's Hall of Residence, and among the guests were representatives of the Leeds, Manchester, Huddersfield and Nottingham Local Associations; the Sheffield Branches of the National Council of Women and Medical Women's Federation; and members of the University Staff and Students. Miss Campbell responded to the Toast of "The British Federation of University Women," and the reply for "The Guests" was by Miss Fleming, of Leeds, and Professor Turnbull.

South Wessex. In October this Association had a Lunch, to which men were invited for the first time. It was held at the University College of Southampton. Mrs. Ormerod spoke about the I.F.U.W. meeting at Cracow and Mr. Vickers, Principal of the College, also spoke. After the

Annual Business Meeting there was a discussion on "Equal Pay for Men and Women for Equal Work." As members decided they would like more information on the subject, Mrs. E. M. White, of the National Association of Women Civil Servants, gave much interesting information at a meeting in May.

South Western. A Dinner was held in the Autumn and we were fortunate enough to secure the Rt. Hon. Margaret Bondfield, J.P., as the chief guest and speaker. Amongst the guests were the Mayor and Mayoress of Exeter, "Miss E. M. Delafield" and her husband and our Member of Parliament, Mr. Reed; also Miss Eldred, a member of the American Federation.

A number of Tea Parties and Coffee Parties have been given by members, and at one of these we had a most interesting talk on America by Dr. Wright, who has been an exchange University lecturer in Florida for a year.

A most entertaining debate was held in the Spring on the subject of "Equal Pay for Equal Work for both Men and Women," and we feel that another such debate must be included in next year's programme.

The local Association has undertaken to organise the running of a Girls' Club in a neighbourhood that badly needs such a club. Some physical training classes and picnics have been arranged and it is hoped to develop on broader lines next session.

A Luncheon was arranged in the summer, with Miss Kemp as speaker, on some aspects of South African Life. Miss Kemp is now a member of our local Association, but was Headmistress of Rustenburg High School, South Africa, until recently.

A trip to visit Bradninch Manor, by kind invitation of Mrs. Radford, was organised for June.

We greatly enjoyed having Dr. Carlson, from Latvia, as the guest of our local Association during the Easter vacation.

Sussex. The Association has met seven times during the year.

Our first Supper proved popular among members, who enjoyed Miss Mellanby's amusing account of her work at the Borstal Institute. At a November Tea-Meeting, Dr. Melville's Presidential Address at Gloucester was discussed and suggestions were made for social work likely to attract young members. Mrs. Hutchins kindly entertained us for coffee before the Annual General Meeting in December. In February we had the great pleasure of meeting Mme. Adamowicz, who gave a delightful and informal talk on subjects ranging from the work of the International Federation

to the present position of women in Poland. The Play-Reading Circle gave an entertainment in March.

In April we held a joint meeting with the N.C.W., when Mrs. Low, late Chairman of the L.C.C. Education Committee, spoke on "Women's Part in Local Government." A joint ad hoc committee has since been formed to assist women who are suitable and willing to take part in local government. A social gathering in May, at Mrs. Gow's charming country cottage, ended the year's activities.

Report of the Committee on International Relations to the Annual General Meeting, 1937 (for 1936-37).

The Committee on International Relations met five times during the past year. At the first meeting in October Dr. Melville reported on the Delegates' meetings and Dr. Smedley MacLean on the Council meetings that took place at the I.F.U.W. Cracow Conference. Much of the business of the C.I.R. during the year has arisen from the conference. It was felt at Cracow that the method of voting for the vice-presidents was somewhat unsatisfactory, and a recommendation has been sent to the I.F.U.W. asking that in future the result of the voting for the first vice-president should be made known before the vote for the second is taken, and that the result of the voting for the second vice-president should similarly be made known before the vote for the third is taken. The C.I.R. also supported the proposal of the Irish Federation for the incorporation of the Budapest resolution in the I.F.U.W. constitution, but recommended some slight alterations to the wording.

Mlle. Illakowicz, the Polish Poetess, whose lecture "On Nothing At All" delighted so many of the members at Cracow, has offered to come to England in the autumn and give lectures on Marshal Pilsudski. Her offer has been accepted on the understanding that the lectures shall be entirely without political bias. A sub-committee has been elected to make the final arrangements, and it is hoped that sufficient tickets will be sold to make a considerable sum of money for the Fellowship Fund. Mlle Illakowicz worked under Marshal Pilsudski for nine years, and it is anticipated that her lectures will bring vividly before us the personality of a great man.

Thanks to the kindness of Mrs. Ormerod, who gave much time to obtaining information, the questionnaire on the Status of Women has been completed and returned to the I.F.U.W. A further questionnaire on "Gainfully Employed Women" has now been sent out, with the help and consent of the Executive Committee, and a sub-committee has been appointed to collate the replies. It is felt that much labour might be saved in answering these questionnaires if information about women graduates were more readily available, and the C.I.R. proposed that details should be kept of women graduating from Colleges and Universities, starting from this year, in order to build up statistics for the use of the Federation. This proposal is being considered by the Executive Committee.

Copies of Dr. Magnus' tables showing the law concerning the position of women in Austria are now available, and have been distributed for review. Copies of the I.F.U.W. publication "Livres de Partout" have been circulated to Librarians of College and University libraries and also sent to newspapers for review. Press notices from British newspapers containing references to the Cracow Conference have been sent to Mme. Adamowicz, and information on Women's Clubs in London has been sent to Mme. Witkowska (Poland). This information has been incorporated in a pamphlet in Polish by Mme. Witkowska on Women's Clubs, and a copy has been received.

Branch contacts are still being established between Local Associations and Associations of Foreign Federations. Huddersfield has recently established such a contact with the Silesian branch of the Polish Federation, and Oxford with the Lund branch of the Swedish Federation and several others are under consideration. It is hoped that these contacts will stress the International side of the Federation and that exchange visits between members of the different Associations will be possible at some future time.

It was with deep regret that the C.I.R. learned of the death of Dr. Isabella Grassi, who had been for many years President of the Italian Federation of University Women. All who know of Dr. Grassi's work for the Italian Federation will realize the shadow that was cast over the last few months of her life by the withdrawal of the Italian Federation from the I.F.U.W. Our sincere sympathy goes to her mother and to her many friends.

The C.I.R. wishes to thank all who have helped its work during the past twelve months.

Report of Academic Sub-Committee, October 1936—April 1937.

The information given in the last Annual Report of the British Federation gave the record up till and including the meeting on July 22nd, 1936.

During the current year the chief business of the sub-committee has been the selection of British candidates for International Fellowships, the award of British scholarships and studentships, and allotment of grants from the Crosby Hall Sale Fund for refugees.

I. International Fellowships.

i. International A.A.U.W. Fellowship, 1937-38.

Nine applications were considered. Though two of the most promising candidates were specially considered, the sub-committee decided unanimously that none had produced

work sufficiently mature to justify the award of an International Fellowship of the standard required.

The Fellowship was awarded to Dr. Stina Gripenberg, of Finland, to carry out research on deep sea sediments.

ii. International (A.A.U.W. Fellowship Crusade) Fellowship, 1937-38.

Ten candidates applied for this Fellowship. The committee decided to recommend Miss M. M. Chattaway as the British candidate. Miss Chattaway is engaged in research in Forestry.

The Fellowship has been awarded to Dr. H. Christiansen, who was our nominee for the Crosby Hall Residential Scholarship. Before this was announced, Miss Chattaway was awarded the Sterling Fellowship by Yale University and her name was therefore withdrawn from the short list.

iii. Swedish Fellowship, 1937-38.

The sub-committee forwarded the name of our only candidate to the Swedish awarding committee. Miss A. M. Dale (Classics) was placed on the short list, but the Fellowship was awarded to a French candidate, Mlle. Halm.

iv. Canadian Hospitality Fellowship, 1937-38.

The British candidate selected by the sub-committee was Miss P. M. Gill. We have now heard from Miss Gill that she has been awarded the Fellowship, and will be working at Physiology at the University of Montreal.

v. Junior International Fellowship in Arts, 1937-38.

Of the six applicants from the British Federation, Miss G. Hutchings (Mediaeval French Literature) and Miss V. C. Smith (Economics) were nominated as the British candidates.

The Fellowship was awarded to Dr. A. M. E. Draak, of the Netherlands Federation, whose subject is Celtic Literature. Miss V. C. Smith was placed *proxime accessit*.

vi. International Residential Scholarship at Crosby Hall, 1937-38.

Nine candidates were considered of whom two were members of the British Federation. The Scholarship was awarded to Dr. Hallfrid Christiansen of the University of Oslo, who, however, resigned it, having been awarded the A.A.U.W. Crusade Fellowship.

Dr. A. Heimann (Mediaeval Iconography) was placed *proxime accessit* and, on the resignation of the Scholarship by Dr. Christiansen, it was awarded to her.

II. Reid Hall Scholarships, 1936-37

The trustees of Reid Hall, the American University Women's Paris Centre, offered two residential scholarships to British candidates working in Paris. These were awarded to

Miss A. J. Otway-Ruthven, for historical research, and to Miss D. Trevor, for work dealing with the French colonial system.

III. Johnstone and Florence Stoney Studentship, 1937-38.

Miss E. A. Stoney has not only given a second studentship of £250 for 1937-38, open to members of the British and Irish Federations for research carried on in Australia or New Zealand, but has put into the hands of the Federation the award of a third for 1938-39, which will be advertised in the autumn.

The studentship for the year 1937-38 has been awarded to Miss Joyce Laing for work on insect parasites. She left for Australia in July in company with Miss M. E. King, the holder of the studentship given in 1936-37.

IV. Grants from the Crosby Hall Sale Fund.

Grants have been awarded from the fund to:—

- Dr. T. Hamburger
- Dr. I. Lichtenstädter.
- Miss H. Mank
- Miss E. von Oertzen

and to the fund for providing a salary as a lecturer at the University of Birmingham for Dr. H. von Reybekiel.

M. BEATRICE THOMAS, Hon. Sec.

Report of Hospitality Sub-Committee, 1936-37.

The Hospitality Committee have had a year of varied activities. The four tea-parties held at Crosby Hall in the summer of 1936 were well attended and were so successful that it was decided to hold similar tea-parties the next summer.

The first autumn meeting was of very general interest to Foreign and Dominion members in London, for on the 23rd October the London Association held an informal evening party when Dr. Melville, Mrs. Smedley MacLean, Mrs. Ormerod and Miss Wood spoke on the I.F.U.W. Cracow Conference. This was followed by two At Homes at the first of which Miss Willing spoke on her experiences as an exchange teacher in Australia. At the second At Home on November 20th Miss Bonar Dodds gave a Recital to the Celtic Harp in ancient Bardic manner.

The first Hospitality At Home after Christmas was held in conjunction with the London Association when they had their Annual Dinner at Crosby Hall on February 5th. Professor Cullis was the Guest of Honour on that occasion and gave a most vivid account of her visit to Australia and New Zealand. At the next two At Homes our foreign visitors had an opportunity of seeing and hearing dancing and music characteristic of these islands. On February 19th Mrs.

Thomson arranged an evening of Scottish dancing and on March 5th, at Miss Leveson's invitation, the St. Mary Abbott's Singers sang early English Madrigals and Motets. On March 19th, at the last At Home of the season, Mrs. Charlotte Hankin, a member of the Bar of the Supreme Court of the United States of America, spoke on the recent changes involved in the action taken by Mr. Roosevelt in connection with the Supreme Court.

What may be called *extra mural* hospitality has not been lacking. Mrs. Russell, as usual, has been very active and generous in her hospitality and many others have given luncheon, tea or dinner parties either for individual members or as open invitations to all visiting members.

Part of Mrs. Musgrave's generous offer of hospitality at Crosby Hall was, with her permission, used by the Hospitality Committee to allow Mlle. Tchoubrilovitch, a young Yugoslovene studying in Paris, to spend a fortnight of her vacation in London.

We have to thank Local Associations most heartily for their willing co-operation with us in extending hospitality to foreign members.

At very short notice the Oxford Association entertained Mme. Adamowicz, the first Vice-President of the I.F.U.W., and enabled her to see much of interest during her brief visit.

The Exeter Branch was most helpful in arranging hospitality for Dr. Carlson, an Ex-Officer of the Latvian Federation and lecturer in English at Riga University. Dr. Carlson subsequently went to Oxford to work in the Bodleian and received hospitality and help from the Oxford Association.

We have received a most interesting letter from Miss Helga Stene, a Norwegian who visited us last summer. I quote as much of it as space permits:—

“It is interesting to a Norwegian to get to know something about English Education from the inside, it is in many ways so different from the type we are used to in the northern countries, where the children spend less of their time in school and more with their families. It was interesting to see character-training tackled almost as a definite subject and to see how self-government by the pupils is put into operation The English have a reputation for not being interested in things foreign, but that was not my impression now. I was also impressed by the feeling of responsibility found in many English people for the future of peace and international understanding.”

As usual, we have received a number of enquiries for accommodation and ‘*au pair*’ posts from abroad and in many cases we have to acknowledge gratefully the help given us by the National Union of Students.

SUSAN CAMPBELL SMITH, Hon. Sec.

Report on the work of the British Joint Committee for Interchange of Secondary Women Teachers with the United States of America for the Year 1936-37.

The British Joint Committee for the Interchange of Secondary Women Teachers with the United States of America has held two meetings since October 1936. In addition to the usual business of the Committee twenty-four applicants for interchange appointments were formally interviewed, and of these twenty-two were accepted.

The work has shown a steady increase over the last three years and for the year 1936-37 seventeen exchanges were arranged as shown in the Committee's last report. Very satisfactory reports on the seventeen American teachers were received from headmistresses.

Last autumn the Committee made an exhaustive circularisation of the Directors of Education and sent individual letters to headmasters and headmistresses of secondary schools and private schools throughout Great Britain and Ireland. As a result, the Committee has received a still larger number of applications for interchange appointments in the United States, and the following twenty-two Exchanges have been arranged for 1937-38, making an increase of five over 1936-37:—

**Report of
The Directors of the Crosby Hall Association, Ltd.,
to the Annual General Meeting of the British Federation
of University Women Limited, 19th June, 1937.**

President: SIR ROBERT M. KINDERSLEY, G.B.E.

Directors:

MISS SYBIL CAMPBELL, M.A.	MISS L. F. NETTLEFOLD, LL.B.
PROF. WINIFRED CULLIS, C.B.E., M.A., D.Sc., LL.D.	MRS. MARY BURTON ORMEROD, B.A.
THE HON. SYLVIA FLETCHER- MOULTON, B.A.	PROF. CAROLINE SPURGEON, D.Litt., Doc. Univ. Paris, Litt.D.
MRS. SMEDLEY MACLEAN, D.Sc., F.I.C.	N. P. W. VINER-BRADY, ESQ., J.P., F.S.A.
MISS F. H. MELVILLE, O.B.E. M.A., B.D., LL.D., J.P.	

The Directors are glad to be able to report that, in spite of difficulties caused by currency restrictions and fluctuating rates of exchange in various countries, the Hall continues to prosper. The reduction in the number of sabbatical years granted to University and other teachers in the British Dominions and the United States of America has, as in previous years, decreased the number of residents staying for long periods, but there is reason to believe that these restrictions will be removed before long.

Scholarships

The Scholarship of £100 offered by the British Federation of University Women to be held at Crosby Hall, was awarded by the Academic Sub-Committee of the British Federation of University Women to Dr. Dorothea Ilse of Berlin and Göttingen Universities. Dr. Ilse is a Biologist and is engaged on work at the Entomological Society and at the Entomological Department of the London School of Hygiene and Tropical Medicine.

Bursaries

The following bursaries have been awarded by the Directors during the year:—

To Miss Olive Abotomey, of the University of Adelaide, South Australia, for 8 months, for work in connection with Speech Therapy at King's College Hospital, Maudsley Hospital, the Institute of Medical Psychology and the West End Hospital for Nervous Diseases.

To Miss Elizabeth Flint, of Canterbury College, University of New Zealand, for 8 months, for Botanical work at Queen Mary College for a Ph.D. Degree.

To Dr. Betty Heimann, late Professor of Sanskrit at Halle University, for 3 months.

To Fräulein Etta von Oertzen, of the Deutsche Hochschule für Politik, Berlin, for 8 months, for historical research work.

To Miss Suzanna Pos, of the Municipal University, Amsterdam, for 3 months, for work on a Life of Mary Stuart, wife of William III.

Financial Position of the Association

The profit for the year ending 31st March, 1937, amounted to £372 1s. 4d. To this may be added the sum of £139 16s. 4d., being the balance as at the 31st March, 1936, and the sum of £22 15s. 10d., being a refund from the Caroline Spurgeon Scholarship Fund. The Directors have, therefore, been able to write off "Expenses of Debenture Issue," amounting to a sum of £293 10s. 8d., leaving a net balance of £241 2s. 10d. Full depreciation has been allowed for on Furniture and Equipment, including Gas Equipment, but none on the Building.

The debt at present carried by the Association amounts to £15,000. In addition to this a sum of £1,000 has been paid into the Endowment Fund, on which interest is payable during the life of the donor.

WARDEN'S REPORT.

15th May, 1937

During the past year Crosby Hall has carried its appointed work steadily forward. Though the number of residents has not been larger than in the previous year, it is encouraging to note that a greater variety of nations have been represented.

Social activities have been many and various. The following associations have held their Annual Reunions at

the Hall:—Swanley Horticultural College Old Students' Association, The Royal School, Bath, Old Girls' Association, Westonbirt School Old Girls' Association and the Belvedere School, Liverpool, Old Girls' Association. The London branch of Masson Hall, Edinburgh, and the London Association of St. Andrew's University Women, have held their Annual Dinners here, the Women Public Health Officers' Association, an Evening Reception, the Women Civil Servants, their Annual Meeting, and a branch of the Girls' Friendly Society, an Evening Party. The popularity of Crosby Hall as a place for wedding Receptions seems to increase annually, twenty-five having been held here during the past year.

For the second year in succession the London Branch of the British Federation of University Women has held its Annual Dinner at the Hall, Professor Winifred Cullis being the Guest of Honour. The Hall was crowded (100 members and their guests being present) and Professor Cullis's vivid and enthusiastic account of her visit to Australia and New Zealand made the evening a most enjoyable one.

The Anniversary Dinner to celebrate the unveiling of the Commemorative Tablet by H.M. The Queen was held on Friday, 27th November, Sir Walter Moberly, Chairman of the University Grants Committee, being the Guest of Honour. The Dinner was excellently attended and Sir Walter gave an interesting talk on "Universities, Ancient and Modern."

One of the outstanding events of the year has been the Dance held on June 26th, 1936, in aid of the Staircase Fund. This was attended by 200 guests and resulted in a substantial addition to the Fund. Members of the Federation will be interested to know that not only has the unsightly temporary staircase and balustrade to the Gallery been replaced by a beautiful oak one, but also parquet flooring has been laid in the Gallery itself. The improvement to the appearance of the Hall is immense. Not only is the new staircase a thing of beauty in itself, but the removal of the temporary structure has increased, considerably, the floor space and restored the Hall to its original proportions. There is still some work to be done to complete the transformation of the staircase but this must wait till the Fund for the first part has been completed. The cost of the work already done is £208, and of this £79 18s. 7d. has been received in subscriptions and from the proceeds of the Dance. The Crosby Hall Association has met the deficit, but it is the earnest hope of the Directors that the whole sum will be contributed by members and friends. Further donations will be most gratefully received.

HOW TO JOIN THE BRITISH FEDERATION OF UNIVERSITY WOMEN.

Full membership is open to women who hold a university degree or its equivalent, and to registered medical women and registered dentists. Women who have had two years' regular study at a university are, in certain cases, admitted to associate membership, and students in their last year before graduation may become temporary associates. Graduates of foreign universities are equally eligible for membership.

The Secretary of the British Federation, at Crosby Hall, or the Officers of the Local Associations, whose names are given below, will be glad to send, on request, an application form for membership. Membership is by Local Association only, and it is suggested that members belong to the Local Association where they can attend most meetings (generally held in term time).

CROSBY HALL.

Cheyne Walk, Chelsea, London, S.W.3.

'Phone : FLAxman 4519.

**International Hall of Residence and Club House for Women
Graduates.**

Crosby Hall is open for residence to any member of the British or other National Association of University Women. Preference is given to those engaged in research.

Subject to accommodation being available, members may bring guests to stay at the Hall for short visits.

There are Club Facilities for non-resident members which include the use of all the common rooms and the dining hall for meals.

Small dinners, luncheons, teas, wedding or evening receptions or other parties, with refreshments, may be arranged.

Applications for rooms, etc., should be made to The Warden.
