Dear Miss Palliser

Would you
be so kind as to
forward the enclosed
letter to Miss Propper,
of the Lancashire
women's textile
workers' union -
I do not know her
address but as I
know she is a very
keen suffragist I am

sure you will know
where to find her.

Would you be
so good as to let
me know ~~so~~ for
how long I should
speak at Portsmouth
on Thursday - I
understand Mr. Walter
McLaren will probably
speak - Do you
know what other
speakers there will be?
Mrs Langthorn

has kindly offered
me hospitality.

Yours very truly
Dorothy Hunter
