

AL/3201

~~next term, but I have not heard of
any one yet.~~

I think you would be quite charmed
by G. M. Trevelyan's book
on Garibaldi and the Roman
Republic. It has fired me
new with all I felt when I
was young for Garibaldi & the
unity of Italy. It was quite

a moral too for all our suffrage
struggles. There is a most thrilling
account of Garibaldi's heroic wife
Anita. She was as much of a soldier
as he was and went through ^{incal-}
culable hardships during his campaigns.

~~We are glad Ellen is having a day
with the Quicksnaps, and hope
she has found Mr Quicksnaps better.~~

~~With much love from Louie~~
