### ANNUAL GENERAL MEETING.

The Ninth Annual General Meeting of the Council was held on Saturday, 29th November, 1931, in the Hall of Bedford College (by kind permission of the Principal and Council), and was attended by 90 members.

Miss Woodgate, President of the Council, took the chair. In her report the Chairman referred to the fact that since the last Annual General Meeting both Miss Sanday, the Chairman, and Miss Ibberson, the Hon. Secretary, had been obliged to resign from their offices. These resignations had been received with great regret and with a warm appreciation of the untiring services rendered by them to the Council in a time of great activity and strain.

The chief event of the year had been the issue of the report of the Royal Commission, which had certainly not fulfilled all the hopes raised when the appointment of the Commission was announced. Moreover, the Report had appeared at a very unfortunate moment, and during the financial crisis any change in the position of women Civil Servants which would involve increased expenditure could hardly be anticipated.

The Chairman referred also to the new Constitution of the Council which had been drawn up and which would be submitted to the meeting that day. It was hoped that this new Constitution would help to solve the difficulty of keeping Regions in close touch with headquarters.

The adoption of the Annual Report was proposed by

Miss Henshall, Ministry of Health, seconded by Miss Murray, Board of Education and carried unanimously. The Treasurer's Report was presented by Miss Keith, Hon. Treasurer, who explained that the past year had seen a heavy drain on the Council's resources, owing to the expense incurred in giving evidence before the Royal Commission. Miss Keith also said that each year the paid-up subscriptions fell short of the total number of members. Assuming that the expenditure for the rest of the year did not exceed £30, there should be a small balance at the end of the year. The adoption of the Treasurer's Report was moved by Miss Craven, Ministry of Labour, seconded by Miss Potter, Public Record Office, and carried unanimously.

The following resolutions were moved by the Executive Committee:—

(1) The Council registers its regret at the failure of the Royal Commission on the Civil Service to recognise the important issues affecting the position of women in the Civil Service, and particularly deplors the failure of the Commission to report in favour of equal pay.

The Council appreciates the fact that the Royal Commission has given its support to the principle of aggregation throughout the Service, and has realised to some extent the necessity for increasing the opportunities to be afforded to women.

Further, the Council appreciates the intention of the Royal Commission to enlarge the scope of the exemption of women from compulsory retirement on marriage, but regrets that the Commission has not recommended the abolition of the marriage bar, and does not consider that the procedure suggested for granting exemption ensures any substantial improvement on the present position.

The Council instructs its Executive Committee to endeavour to secure that the fullest effect is given to such of

the Commission's recommendations as are in consonance with the Council's aims, and at the same time to continue to work for the abolition of all restrictions on the employment of women in the Civil Service, and for the application of the principle of equal pay, and for the removal of the marriage bar.

Miss Wall, in moving the resolution, said that the attention of the Executive Committee was being directed to all those points in the Royal Commission's Report which were in favour of greater equality for women Civil Servants. With regard to matters ignored by the Royal Commission's Report, the Executive was considering making representations to the Treasury at a suitable time. The resolution was seconded by Miss Clayton. The Hon. Miriam Pease, Home Office, proposed a verbal amendment to the resolution, intended to make it a little more gracious in tone by putting first those things which could be welcomed in the Royal Commission's Report. The amendment was seconded by Miss Baster, Board of Education. A good deal of discussion followed, but when the amendment was put to the vote it was lost. The original resolution was then carried by a large majority.

(2) That the new draft Constitution and Rules, as printed in the Annual Report, be adopted in lieu of the existing Constitution and Rules.

Miss Ford, in moving the resolution, said that the reason the new constitution had been proposed was that the old one had ceased to be adequate. No question of principle was involved, but it was felt that the new arrangement would work better than the old. The resolution was seconded by Miss McCleverty, Ministry of Health.

An amendment was proposed by the South-West Region that subscriptions should be raised from 6/- to 7/6, and that

1/6 from each subscription should go to a central travelling fund to help expenses. The amendment was moved by Miss Deane, O.B.E., Ministry of Labour, and seconded by Miss Fergusson, Board of Education. It was pointed out, in the discussion that followed, that the new constitution arranged for Regional Secretaries to attend meetings of the Committee of Representatives, but made no provision for the payment of their expenses. The Hon. Treasurer was asked to give an estimate of the cost of paying travelling expenses for Regional Secretaries to these meetings, and she estimated it would cost £12 10s. 0d. per annum. The amendment was carried by a large majority.

A second amendment was proposed by the North-Western (Manchester) Region, that members attending the Annual General Meeting might be empowered to vote by proxy on behalf of the Regional Group if authorised in writing to do so. This amendment was moved by Miss Limrick, Ministry of Health, and seconded by Miss Blades, Ministry of Labour. A good deal of discussion followed, and the general feeling of the meeting was that members would like more information and more time to consider this matter before coming to a decision. Miss Limrick agreed to withdraw her amendment on condition that the matter should be discussed at the next Annual General Meeting.

The original resolution, with the amendment which had been accepted, was then put to the meeting and carried unanimously.

#### REPORT OF THE ROYAL COMMISSION.

A year has elapsed since the issue of the Report, and members will realise that it has been a singularly unpropitious year for any sympathetic consideration of the claims of women Civil Servants.

No pronouncement has been made by the Government as to its acceptance or non-acceptance of the Commission's recommendations, but a series of committees representing the Official and Staff sides of the National Whitley Council have been set up to consider these recommendations under various heads.

Of these, Committee "F" is to consider the recommendations of Chapter XII. on the position of women, with special reference to reservation of posts, aggregation and segregation and marriage bar. The Council has two representatives on this Committee, which has had one joint meeting, at which both sides expressed their willingness to accept the policy of the "fair field and no favour."

The Council has not been able to secure representation on Committee "A", which is concerned with remuneration, nor on Committee "D", to which superannuation questions (including marriage gratuity) have been referred, but is following the proceedings as closely as possible from the outside, and may submit statements to either or both of these committees if it seems desirable.

#### PROCEEDINGS OF COMMITTEES.

The new constitution which was agreed to at the last Annual General Meeting has brought about a good many changes in the proceedings of Committees. There have been two meetings of the **Committee of Representatives**, and both were very well attended. Before the first meeting, arrangements were made for members to meet for tea at Craig's Court Restaurant. It is generally agreed that the addition to this Committee of the Regional Secretaries has been of very great value in keeping the Regions in touch with the work of the Council and in enabling the Officers and Executive Committee to hear directly the views of members in the Regions on any subjects under discussion. At the triennial

election, which was held in May of this year, a good many of the members who had served on the old Executive Committee for a long time decided not to offer themselves for re-election. Among these were Miss Anderson, Miss Ford, Miss Ireland, and Miss le Plastrier. At the meeting on May 28th, the following newly elected members were welcomed:—

Board of Education ...	{ ...	Miss Luce
	{ ...	Miss Shuckburgh
Ministry of Health ...	...	Miss Stanton
Board of Inland Revenue ...	...	Miss Colls
Foreign Office ...	...	Miss Lunn
Ministry of Labour ...	...	Miss Power
Post Office ...	...	Miss Frost
	...	Miss Nichols

The **Executive Committee** now meets regularly on the first Friday of each month. It is found that the smaller Committee is much better able to transact the ordinary routine business of the Council, and that the more frequent meetings which are now possible are valuable at the present time when there is so much activity in Civil Service affairs. The Committee has been chiefly concerned during the last few months with the Treasury Committees which have been set up to consider various questions arising out of the Report of the Royal Commission. One of these, Committee "F," is to deal particularly with the questions affecting women Civil Servants, with special reference to aggregation, reservation of posts and the marriage bar. The Council has been invited to appoint two representatives to serve on the Staff Side of this Committee, and has nominated Miss Ibberson and Miss Tann. The Council has also asked for representation on Committee "A," which is dealing with remuneration, and on Committee "D," which is dealing with superannuation. Representation on the latter Committee has been refused, but the Council has been invited to submit a statement on

superannuation as particularly affecting women Civil Servants. For the preparation of this statement a small sub-committee, consisting of Miss Anderson, Miss Ford and Miss Wall, has been set up. Other sub-committees appointed by the Executive Committee during this year are:—

(1) **Finance Sub-Committee**, of which Miss Ayres, Miss O'Brien and Miss Vickers are members, and Miss Keith is convener.

(2) A Sub-committee to undertake **Journalistic Propaganda**, of which Miss Power is the convener. Other Members of this Committee are Miss Clayton, Miss Ford, Miss Procter-Gregg and Miss Richmond.

## REGIONAL ACTIVITIES: SECRETARIES' REPORTS.

### London and South-Eastern Region.

A meeting was held on April 15th at the Ministry of Health, Whitehall, when about 40 members attended, first for tea, and afterwards for a business meeting, at which Miss Woodgate took the chair.

Miss Tann gave a brief account of the recent work of the Council, and the action which had arisen as a result of the Report of the Royal Commission.

Various other matters were discussed, including a revival of the informal dinners for members, which it was agreed should be held again at the Florence Restaurant.

Two points in connection with the Annual General Meeting were also discussed:—

(i) The question of Proxy Voting, of which the majority of the members were in favour, and

(ii) The advisability of changing the date to a time nearer the end of the financial year.

It was ultimately decided to recommend that the Annual General Meeting should take place in March, April or May, and that there should be two meetings of the Group during the year.

Miss E. A. Ford, Board of Education, was elected Chairman of the London and South-Eastern Area.

### South-West and Wales Region.

Two meetings have been held during the past year, one in Bristol and one in Cardiff. At the Bristol meeting we were very fortunate in having Miss Sanday, who gave a most interesting address on the work of the Council.

In Cardiff we had a very small, but keen, gathering when we discussed vital questions, e.g., "The Removal of the Marriage Bar," "Proxy Voting at the Annual Meeting," "The necessity of a Senior Woman Officer in the Office of Works, with divisional representatives throughout the country."

### Yorkshire and East Midland Region.

On 19th October eleven members were present at a meeting and asked the Council to discuss the best means of bringing to the notice of individual Civil Servants (women) the exact position with regard to retirement on marriage, and also expressed the view that the Council should take every opportunity of pressing for equal pay for equal work.

On 4th December ten members and two prospective members were present at a meeting. Miss Moodie (delegate) gave a full report of the Annual General Meeting. The suggestion of proxies was fully discussed and also the financial position of the Council—following the increased subscription. The members suggested that in future the Annual General Meeting might be postponed until March each year, so that

a full year's statement of accounts might be presented to the members before the meeting. Members also suggested that a percentage of the increased subscriptions might be earmarked for local expenses.

On 18th April, 1932, sixteen members and two prospective members were present at a meeting where full discussions took place concerning the date of the Annual General Meeting and the end of the financial year, and the question of proxy voting.

At this meeting it was suggested that the 1933 Annual Meeting be held in Leeds, this being later altered to a resolution that the 1933 meeting be held in a provincial centre.

On 25th June, 1932, the Yorkshire Group and friends met the Manchester Group at Haworth, where a visit was paid to the Brontë Museum.

#### **Scottish Region.**

The Regional Activities last year took the form of a meeting of the members in Edinburgh on 15th November, 1931. There was a very good attendance, and for the first time a Regional Chairman was appointed. This has helped to stimulate interest in the Region. The position arising in the Scottish Divisional Office of the Ministry of Labour out of Miss Younger's retiral was considered as well as the Annual Report and the new Draft Constitution.

On the same date the members of the Region entertained Miss Younger to lunch in the Balmoral Restaurant, Edinburgh, on the occasion of her retiral from the Service.

#### **South Midlands and Eastern Region.**

As most of the members in the Region are Inspectors and all very scattered, it is not possible to hold meetings, but opinions on the matters which have been occupying the

Council's attention during the year, have been canvassed through the post.

#### **West Midlands Region.**

This group, which had hitherto been without a chairman, appointed Miss I. M. S. Keely to the post. Miss M. Darlow resigned the secretaryship, and was succeeded by Miss A. Marsh.

Two members (Miss G. E. N. Pigott and Miss M. F. Jones) resigned, and two new members (Miss A. M. Jennings and Miss E. E. A. Webb) were recruited.

#### **North-Western (Manchester) Group.**

During the winter six dinners were held at the Town and Counties Club, Manchester. Each dinner was followed by a meeting at which matters of interest to the Council were discussed. It is felt that this has helped to keep members in touch and to stimulate interest in the work of the Council.

On June 22nd, we were fortunate in having as our guest Miss Baster, who spoke on the work of the Council in connection with the committees which are being set up to consider the Report of the Royal Commission.

On Saturday, June 25th, some of the Group were able to join the Leeds Group in their very successful summer outing to Haworth. The Manchester members who were able to go, very much enjoyed the opportunity of meeting their colleagues from the North-Eastern Region.

#### **PERSONAL.**

The Treasury has again exercised its power of making an exception to the rule which requires women Civil Servants to resign their position on marriage. The exception has been

made in favour of Miss A. C. M. Richmond, M.B.E., a first-class Officer in the Ministry of Labour.

On the recommendation of the Minister of Health, Miss Ruth Darwin has been appointed Senior Commissioner of the Board of Control in succession to Mrs. Pinsent, C.B.E., who retires on July 31st.

Miss A. H. M. Kilroy has been promoted to be a Principal Officer in the Board of Trade. She is the first woman recruited to the Administrative Class by open competition to be promoted to Principal.

Miss O. Pound has been appointed to a "Paragraph 51" post in the Establishment Branch of the Ministry of Pensions. Miss M. S. Cox has been appointed Private Secretary to the Permanent Secretary of the Ministry of Pensions.

Miss Dorothy Peto, Staff Officer in charge of the Women's Section of the Metropolitan Police has risen to the rank of Superintendent.

Miss A. Younger, O.B.E., Chief Woman Officer in Scotland of the Ministry of Labour, retired in October, 1931. In 1912 Miss Younger was appointed organising officer for the women's work in the department of the Board of Trade Labour Exchanges, Glasgow. During the war Miss Younger was associated with the selection of welfare supervisors to work in the munition factories and with the recruitment of women for important services during the war, including that of the Scottish Women's Land Army. During her long career as a Civil Servant, Miss Younger earned for herself the high esteem and regard of her colleagues and of those members of the outside world with whom her work brought her into contact.
