My dear Pippa

Will you ask
Aunt Lell to send my
telescope here if she can?
The other day we went on
the pair and one of the

boys hats blew over the -gine on the pier and it
edge of the pier and there works a sort of tram along
was a man walking on there is a little shop on it
the shore and he picked and there are alot of little
it up and one of the boys hooks all over the door. There
went and picked it up. are some models on it too
There is a stationery en- and if you drop a penny

in they begin to act. It
was one of the boys birth days
the others dixy and we play-
-ed turn the trencher heres
a katchet and russian
gossip. Goodbye your loving
brother Ralph.
