Dear Sir

I have much
pleasure in sending
you two pamphlets
of the current number
of the W.S. Journal.
The subscription
which is 1/6 yearly
We can send 7
the numbers to

current fear of
with it.

I think sufficient
attention has not been
generally paid to
the position taken
up & explained by
Mr. Sidney Smith
in the pamphlet
the arguments &

the ancient right
of women to vote
appears to me to be
unanswerable and
well worth the
attention of the High
Court of Parliament
which is now our
only court of appeal
in the matter
judgment of the

Count of Comms
Pleas - This aspect
of the case, if it is
out - more novel
than that taken up
by Mill. is at least
not so generally under
stood or discussed
yours truly
