Dear Mrs. Harvey

Mother asks me to thank you for thy kind letter of Nov. 27th. She is not up to writing many letters, but she feels fairly bright & is wonderfully cheerful a part of every day at least.

I am so sorry I shall not see thee & Mr. Harvey

on the 10th. at Leeds. I
hesitated about accepting
the Lady Mayouss's invi-
tation to stay with her
as I was going to
propose myself to you,
but now I have written
to Lady Kitson (I hope
she is "Lady" & not "Mrs.!")
to say I will go there
for the night. I will
certainly put in a good
word for the B. W. S.

Tho' I go about the country
on other work nowadays,
I love the B. W. S. as
much as ever, & always
feel happy when I
meet them.

With best love from
Mother,

Affec. thine

Alys Russell
