Dear Mr. General Bentham

I am today the

very much my self

at you 28-25 -

2 I will expect to

to you of Denmark -

after to Helen - he is 'Kedgins'

with a calm heart.

I will go with you

to the place you mean

to me -

29th

He has a most

successful present of

of the book 2

but I cannot see you

and a much better capture

and a vast lot together

... have not seen. Altogether

There is a mass of matters
and that point -

take into, or pass

Don't put me up too much

with these people, beside yourself

be right

Dear Uncle

Longford
