My dear Pippa.

I've got to be in town  
~~to~~ on Thursday. It's a show at  
the S<sup>c</sup> of Arts & Libs (with  
tea) in the afternoon. Wouldn't  
you come there & then we'd go  
down here together by the 5.45  
if we can get away.

I do hope it'll be fine. It's  
been lovely lately & Didi  
& I have bicycled my afternoon.  
There'll be a bike for you.

Let me know at the Omega  
some time as

Thursday if you can. It wd.  
be nice if you can come to the  
Omega but if not let's meet  
at Waterloo.

Yrs. Roger.
