Dear M. I am very glad you have arranged
your visit to Canada - you will
enjoy the trip and I hope
you will find the country
well and prosperous - I shall
be very glad to hear from you
after your arrival, and hope you
will send me full particulars
about everything and everything
please give my kindest
regards & best-wishes to all
~~friends & the three of them~~
Phenomenon

I go on improving slowly but
steadily and can now walk
about the town much easier
than at first, and with my
stick only - My better friend
on the 27th Nov I make my
way gradually through water
sandy & 2 Cham suit - The
winter has become extremely
bit - the last day or two, and
I fancy I shall be very glad to escape
to higher and cooler places
