FEMALE PROVIDENT & BENEVOLENT ASSOCIATION,

Milners Buildings, Moorgate Street,

Opposite Moorgate S<sup>t</sup> Station.

London 12<sup>th</sup> Nov 1875

Madam,

I am obliged by  
your favor of the 9<sup>th</sup> inst making  
enquiries of our association  
and for the papers sent me  
which I have perused.

I have a few pros printed.  
Our Association was established  
in Jan'y last and we have  
been very successful in ob-  
taining members having  
received 450. the first 10  
months.

We remain

in our prospectus to admit  
Governors but we have just  
recently abandoned it for we  
find out that their situations  
are so uncertain and irregular  
that we cannot make a fair  
estimate of the risk.

That is the difficulty, I  
have made it a study for some  
time and hope soon to form  
a plan for their especial  
benefit. They must have a  
separate association if any.

I am sorry to say  
that the members of the Female  
Association give us a great

deal of trouble to manage,  
They will not understand rules  
or bye-laws and expect the  
benefits promised under  
any circumstances whatever.

when out of situation. It would  
be impossible to provide that  
and would not be wise. I

also fear that there is a  
strong suspicion of deception  
in several cases in order to  
make out a claim on the  
fund.

I shall be very glad

to hear from you again at  
any time and will render  
any help I can.

To form an absolute  
annuity fund would cost a  
large subscription. The Society  
already established in my  
opinion does that.

I am Dear Sir

Yours very truly

J. Worthy Williams  
Hon Secretary
