Dear Sir

I beg to send my sub-
scription & also to remind
you of your promise that it
sh^d: not-entail sending me
notices of what is doing?
My sub^s: is wholly "sym-
pathetic", for I live in
country & never go to
London meetings etc but
I specially begged I might
be spared notices etc.
& ... There have not been
spared me. May I ask

To make the small mark
against my name which
will ensure me in future
— a mere matter of
organisation which, in
a women's Institute
sh^d. not be lacking

Mary Elizabeth

D. Ethel Smyth.
