Dear Miss Palliser

Do you know
what it is that
the Dutch women
propose. It is rather
an interesting point, &
I should much like
to know if any definite
proposal is suggested.
The par. is from
one of our Foreign

Notes.

Dear Miss Patten

Many thanks for
enclosed. I wonder
what it is the Dulich
women do propose to
do for the state. I
should much like to
know, but Madame
Kramer goes in to no
details.

 And could I have
