Dear Mrs Anderson,

Thank you so much
for your letter, & for
inviting me to that truly
exciting dinner afterwards.
I had not seen Roy Jenkins
or Jennifer for many years
and was not merely
very much honoured &
interested but delighted
to re-new an old
friendship. What a

admirable and interesting speed
he made.

Altogether a most
memorable occasion - &
the wreath-laying ceremony
was so friendly & simple,
such genuine feeling.

I enjoyed it all so
much - not least meeting
you & having so much
happy & interesting
conversation. Your friend
Bernice Wood
