14, ROSEDENE AVENUE,

STREATHAM, S.W.16.

3rd Nov 1937

Dear Mrs Howe Martyn

I have the picture of you in larger size than in the Museum which you gave me over thirty years ago which I have kept as a memento of some very stirring times. If you would like it for the Museum I will send it on. I cannot say with pleasure as I do not like parting with old friends but

because you may think
the Museum has a
prior right to it

Perhaps you will
drop me a line

yours truly
A. J. Farver
