2 Green Street. Dec 19

Dear Amy,

We were so glad to get your delightful letter last night. What a wonderful record the Bedalians have made of themselves. You must be very proud of them. It was lovely for you to have had Jack home; ~~was~~ it must have been a most precious beautiful time for you all three.

Our dear love and best wishes for Christmas

& the New Year, Dear Amy

Always ever loving

M. G. F.
