March 5<sup>th</sup> 1900.

Dear Mr. Mackenzie Bell.

I sincerely hope you  
will vote tomorrow for the  
Chairman favourable  
& Women's Suffrage —

Mr. Wilson is not really  
favourable to it — and  
last year was one of those  
who opposed the movement  
in the Club to further this  
Project — Therefore any  
one who votes for Union will

be helping to keep back  
that question in the Club.  
That circular was sent  
out for the same object -  
to keep those who are  
actively engaged in further  
W's S., in one way or  
another, off the Club  
Committee -

I remember 2 years ago  
I went to speak on Home  
Rule in Dr. Wilson's  
Constituency & I was

asked Mr. Brewster women's  
suffrage in my address, as  
both Mr. & Mrs. Wilson were  
not in favour of it -  
He was really the instigator  
of the circular - for  
the meeting & further  
it was held at his home.  
& Mr. Greenwood had been  
well enough to say since  
that he had been misled  
in this matter & was  
leaving ashamed of himself.

Then I have placed all  
these facts before you. I  
trust you will feel that  
Mr. Wilson is not the  
man for Chairman of  
a Committee of "The  
Liberal Forward" —

Yours sincerely,  
Jane Cadogan Preece.
