Mrs Ramelson

May 31st, 1961

Dear Mrs Ramelson,

Many thanks for your letter of May 30th. The first of the bound volumes of the "Women's Suffrage Journal" and the W.S.P.U, Annual Reports are going off to you today. We shall look forward to receiving back the other reports shortly.

We have a few pamphlets and leaflets issued by the Lancashire & Cheshire Women Textile and other Workers' Representation Committee. In one or two of these the Manchester & Salford Women's Trade and Labour Council co-operated. These are not in bound volumes, so would not be heavy to send if you would care to have them, but I daresay you would prefer to wait till you come to London.

Thank you very much for your kind enquiries about my mother. She did have a bad set-back about three weeks ago, and I was sent for in haste to Oxford, but she has rallied again, and is now making good progress.

I shall hope to see you here before very long.

Yours sincerely,

Librarian
