My dear Charlotte May,

Our women  
have finally agreed  
to continue the  
sending of same  
amount for 1888.  
So you will go  
on as usual. Keep  
us informed through union  
signal of your move-  
ments, please. It seems  
we have about 302

4 hundred dollars on  
printing for words  
we can. I do hope  
there will be a  
financial stringing  
up. Now then, will  
you please & speedily  
do me a great favor?  
I am asked for a magazine  
article on Ellice Hopkins  
& want to have material  
- facts, incidents of her  
work, incidents showing her  
character, etc. You or  
your friends will help  
me with this I am sure,  
& speedily. Ever affectionately

Frances Everett
