Dear Mrs Warren,

Thank you for your letter. Please note that Sir Henry Campbell Bannerman is in favour of Womens Suffrage as much as Mr Balfour so that I am afraid your solution of the question can hardly be the correct one.

What I am anxious to know is whether the National Union is supporting the opposition to the present Government because if it is I can have nothing more to do with it.

Believe me to remain,

Yours faithfully,

J. C. Whiteley
